EXECUTIVE SUMMARY: Through the NACA Program, the Community Development Financial Institutions (CDFI) Fund provides (i) FA awards of up to \$1 million to Certified Community Development Financial Institutions (CDFIs) serving Native American, Alaska Native, or Native Hawaiian populations or Native American areas defined as Federally-designated reservations, Hawaiian homelands, Alaska Native Villages and U.S. Census Bureau-designated Tribal Statistical Areas (collectively, “Native Communities”) to build their financial capacity to lend to Eligible Markets and/or their Target Markets, and (ii) TA grants of up to \$150,000 to build Certified, Certifiable, and Emerging CDFIs’ organizational capacity to serve Eligible Markets and/or their Target Markets and Sponsoring Entities ability to create Certified CDFIs that serve Native Communities. All awards provided through this NOFA are subject to funding availability.

I. PROGRAM DESCRIPTION:

A. History: The CDFI Fund was established by the Riegle Community Development Banking and Financial Institutions Act of 1994 (Pub. L. No. 103-325, 12 U.S.C. 4701 *et seq.*) (Authorizing Statute) to promote economic revitalization and community development through investment in and assistance to CDFIs. Since its creation in 1994, the CDFI Fund has awarded more than \$3 billion to CDFIs, community development organizations, and financial institutions

through the Community Development Financial Institutions Program (CDFI Program), the Native American CDFI Assistance Program (NACA Program), the Bank Enterprise Award Program (BEA Program), the Capital Magnet Fund, and the Financial Education and Counseling Pilot Program. In addition, the CDFI Fund has allocated more than \$54 billion in tax credit allocation authority through the New Markets Tax Credit Program (NMTC Program) and has guaranteed more than \$1.5 billion in bonds for Eligible CDFIs through the CDFI Bond Guarantee Program.

B. Priorities: Through the NACA Program's FA awards and TA grants, the CDFI Fund invests in and builds the capacity of for-profit and non-profit community based lending organizations known as CDFIs. These organizations, certified as CDFIs by the CDFI Fund, serve Native Communities.

C. Program Regulations: The regulations governing the NACA Program are found at 12 CFR Parts 1805 and 1815 (the Regulations) and are used by the CDFI Fund to govern, in general, the NACA Program, setting forth evaluation criteria and other program requirements. The CDFI Fund encourages Applicants to review the Regulations; this NOFA; the NACA Program Application for Financial Assistance or Technical Assistance (the Application); all related materials and guidance documents found on the CDFI Fund's website (Application Materials); and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200; 78 Federal Register 78590) (the Uniform Requirements) for a complete understanding of the NACA Program. Capitalized terms in this NOFA are defined in the Authorizing Statute, the Regulations, this NOFA, the Application, Application Materials, or the Uniform Requirements. Details regarding Application content requirements are found in the Application and related Application Materials.

D. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200): The Uniform Requirements codify financial, administrative, procurement, and program management standards that Federal award agencies must follow. When evaluating award Applications, awarding agencies must evaluate the risks to the program posed by each Applicant, and each Applicant’s merits and eligibility. These requirements are designed to ensure that Applicants for Federal assistance receive a fair and consistent review prior to an award decision. This review will assess items such as the Applicant’s financial stability, quality of management systems, the soundness of its business plan, history of performance, ability to achieve measurable impacts through its products and services, and audit findings. In addition, the Uniform Requirements include guidance on audit requirements and other award compliance requirements for Recipients.

E. Funding limitations: The CDFI Fund reserves the right to fund, in whole or in part, any, all, or none of the Applications submitted in response to this NOFA. The CDFI Fund also reserves the right to reallocate funds from the amount that is anticipated to be available through this NOFA to other CDFI Fund initiatives that are designed to benefit Native American, Native Hawaiian, and Alaskan Native communities, particularly if the CDFI Fund determines that the number of awards made through this NOFA is fewer than projected.

II. FEDERAL AWARD INFORMATION

* DF-FA and HFFI-FA appropriation will be allocated in one competitive round between the NACA and CDFI Program NOFAs.

The CDFI Fund reserves the right to award more or less than the amounts cited above in each category, based upon available funding and other factors, as appropriate.

2. Funding Availability for the FY 2019 Funding Round: As of the date of this NOFA, the CDFI Fund is operating under the Consolidated Appropriations Act, 2019 (P.L. 116-6).

3. Anticipated Start Date and Period of Performance: The Period of Performance for TA grants begins with the date of the notice of the award and includes either (i) an Emerging or Certifiable CDFI Recipient's three full consecutive fiscal years after the date of the notice of the award or (ii) a Certified CDFI Recipient's two full consecutive fiscal years after the date of the award

announcement or (iii) a Sponsoring Entity award Recipient's four full years after the award announcement, during which the Recipient must meet the performance goals set forth in the Assistance Agreement. The Period of Performance for FA awards begins with the date of the award announcement and includes a Recipient's three full consecutive fiscal years after the date of the notice of the award, during which time the Recipient must meet the performance goals set forth in the Assistance Agreement.

B. Types of Awards: Through the NACA Program, the CDFI Fund provides two types of awards: Financial Assistance (FA) and Technical Assistance (TA) awards. *An Applicant may submit an Application for a TA grant or an FA award under the NACA Program, but not both.* FA Awards include the Base Financial Assistance (Base-FA) award and the following awards that are provided as a supplement to the Base-FA award: Healthy Food Financing Initiative-Financial Assistance (HFFI-FA), Persistent Poverty Counties-Financial Assistance (PPC-FA), and Disability Funds-Financial Assistance (DF-FA). The HFFI-FA, PPC-FA, and DF-FA Applications will be evaluated independently from the Base-FA Application, and will not affect the Base-FA Application evaluation or Base-FA award amount.

However, Applicants that qualify for the NACA Program may submit two Applications: one Application--either for a TA grant or an FA award, but not both--through the CDFI Program, and one Application--either for a TA grant or an FA award, but not both--through the NACA Program. NACA qualified Applicants that choose to apply for awards through both the CDFI Program and the NACA Program may either apply for the same type of award under each Program or for a different type of award under each Program. NACA qualified Applicants that choose to apply under both the NACA Program and CDFI Program and are selected for an award under both Programs will be provided the larger of the two awards. NACA Applicants cannot

receive an award under both Programs. The matching funds requirement for NACA Program FA award Applicants and HFFI-FA Applicants was waived in the final FY 2019 appropriations. Therefore, NACA Program FA and HFFI-FA Applicants are not required to submit matching funds for their award requests.

1. Base-FA Awards: Base-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the Base-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waived the matching funds requirement. The matching funds requirement was waived for NACA Program Applicants and therefore the Base-FA award will be in the form of a grant for the NACA Program. The CDFI Fund reserves the right, in its sole discretion, to provide a Base-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

2. Persistent Poverty Counties – Financial Assistance (PPC-FA) Awards: PPC-FA awards will be provided as a supplement to Base-FA awards; therefore, only those Applicants that are selected to receive a Base-FA award through the NACA Program FY 2019 Funding Round will be eligible to receive a PPC-FA award. PPC-FA awards can be in the form of loans, grants, Equity Investment, deposits and credit union shares. The form of the PPC-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waived the matching funds requirement. The matching funds requirement was waived for NACA Program Applicants and therefore the PPC-FA award will be in the form of a grant for NACA Program Applicants. The CDFI Fund reserves the right, in its sole discretion, to provide a PPC-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

3. Disability Funds – Financial Assistance (DF-FA) Awards: DF-FA awards will be provided as a supplement to Base-FA awards; therefore, only those Applicants that have been selected to receive a Base-FA award through the NACA Program FY 2019 Funding Round will be eligible to receive a DF-FA award. DF-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the DF-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waived the matching funds requirement. The matching funds requirement was waived for NACA Program Applicants and therefore the DF-FA award will be in the form of a grant for NACA Program Applicants. The CDFI Fund reserves the right, in its sole discretion, to provide a DF-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

4. Healthy Food Financing Initiative - Financial Assistance (HFFI-FA) Awards: HFFI-FA awards will be provided as a supplement to Base-FA awards; therefore, only those Applicants that have been selected to receive a Base-FA award through the NACA Program FY 2019 Funding Round will be eligible to receive an HFFI-FA award. HFFI-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the HFFI-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waived the matching funds requirement. The matching funds requirement was waived for HFFI-FA Applicants and therefore the HFFI-FA awards will be in the form of a grant. The CDFI Fund reserves the right, in its sole discretion, to provide an HFFI-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

5. TA Grants: TA is provided in the form of grants. The CDFI Fund reserves the right, in its sole

discretion, to provide a TA grant in an amount other than which the Applicant requests; however, the TA grant amount will not exceed the Applicant's request as stated in its Application.

Table 4. TA Eligible Activity Categories, subject to the applicable provisions of the Uniform Requirements	
(i) Compensation – Personal Services	TA paid to cover all remuneration paid currently or accrued, for services of Applicant’s employees rendered during the Period of Performance under the TA grant in accordance with section 200.430 of the Uniform Requirements. Any work performed directly but unrelated to the purposes of the TA grant may not be paid as Compensation through

	a TA grant. For example, the salaries for building maintenance would not carry out the purpose of a TA grant and would be deemed unallowable.
(ii) Compensation - fringe benefits	TA paid to cover allowances and services provided by the Applicant to its employees as compensation in addition to regular salaries and wages, in accordance with section 200.431 of the Uniform Requirements. Payment for a consultant's services may not exceed the current maximum of the daily equivalent rate paid to an Executive Schedule Level IV Federal employee. (iv) Travel costs	TA used to pay costs of transportation, lodging, subsistence, and related items incurred by the Applicant's personnel who are on travel status on business related to the TA award, in accordance with section 200.474 of the Uniform Requirements. Travel costs do not include costs incurred by the Applicant's consultants who are on travel status. Any payments for travel expenses incurred by the Applicant's personnel but unrelated to carrying out the purpose of the TA grant would be deemed unallowable. As such, documentation must be maintained that justifies the travel as necessary to the TA grant.
(v) Training and education costs	TA used to pay the cost of training and education provided by the Applicant for employees' development in accordance with section 200.472 of the Uniform Requirements. (viii) Incorporation Costs (Sponsoring Entities only)	TA used to pay for incorporation fees in connection with the establishment or reorganization of an organization as a CDFI, in accordance with section 200.455 of the Uniform Requirements. Incorporation Costs are allowable for NACA Program Sponsoring Entity Applicants only.

- a. Recipient must close Financial Products for Healthy Food Retail Outlets and Healthy Food Non-Retail Outlets in its approved Target Market in an amount equal to or greater than 100 percent of the total HFFI Financial Assistance provided. Eligible financing activities to Healthy Food Retail Outlets and Healthy Food Non-Retail Outlets require that the majority of the loan or investment be devoted to offering a range of Healthy Food choices, which may include, among other activities, investments supporting an existing retail store or wholesale operation upgrade to offer an expanded range of Healthy Food choices, or supporting a nonprofit organization that expands the availability of Healthy Foods in underserved areas.

Matching Funds Requirements: In order to receive a Base-FA, PPC-FA, or DF-FA award, an Applicant must provide evidence of eligible dollar-for-dollar matching funds and attest that it can provide acceptable documentation upon the CDFI Fund's request as part of the Application, unless Congress waived the matching funds requirement. An Applicant that uses retained earnings as matching funds must provide supporting documentation of In-Hand and/or Committed matching funds at the time of Application submission. The CDFI Fund will review matching funds information, attestations, and supporting matching funds documentation, if applicable, prior to award payment and will disburse funds based upon eligible In-Hand matching funds. The CDFI Fund encourages Applicants to review the Regulations, the Uniform Requirements, and the matching funds guidance materials available on the CDFI Fund's website. Table 9 provides a summary of the matching funds requirements for Base-FA, PPC-FA, and DF-FA. The matching

funds requirements for NACA Program FA and HFFI-FA Applicants were waived in the final FY 2019 appropriations. Additional details are set forth in the Application Materials.

*Unless Congress waived the matching funds requirement, the requirements set forth in Table 9 are applicable to NACA Program FA Applicants applying for Base-FA, PPC-FA, and DF-FA, and for HFFI-FA Applicants. The matching funds requirements for NACA Program FA Applicants and HFFI-FA Applicants were waived in the final FY 2019 appropriations, and therefore the requirements set forth in Table 9 are not applicable to NACA FA and HFFI-FA Applicants for the FY 2019 Funding Round.

IV. APPLICATION AND SUBMISSION INFORMATION

A. Address to Request an Application Package: Application Materials can be found on the CDFI Fund’s website at www.cdfifund.gov/nativ. Applicants may request a paper version of any Application material by contacting the CDFI Fund Help Desk at cdfihelp@cdfi.treas.gov. Paper versions of Application Materials will only be provided if an Applicant cannot access the CDFI

C. Application Submission: The CDFI Fund has a two-step process that requires the submission of Required Application Documents (listed in Table 10) on separate deadlines and locations. The SF-424 must be submitted through Grants.gov and all other Required Application Documents through the AMIS portal. The CDFI Fund will not accept Applications via e-mail, mail, facsimile, or other forms of communication, except in extremely rare circumstances that have been pre-approved in writing by the CDFI Fund. Applicants are required to submit the OMB SF-424, Application for Federal Assistance form in Grants.gov. All other Required Application Documents (listed in Table 10) will be submitted through AMIS. The deadline for submitting the SF-424 is listed in Tables 1 and 12.

All Applicants must register in the Grants.gov system to successfully submit the SF-424. The Grants.gov registration process can take 45 days or longer to complete and the CDFI Fund strongly encourages Applicants to start the Grants.gov registration process as soon as possible (refer to the following link: <http://www.grants.gov/web/grants/register.html>). Since the Grants.gov registration process requires Applicants to have DUNS and EIN numbers, Applicants without these required numbers should allow for additional time to complete the Grants.gov registration process. Further, as described in Section IV. (E) of this NOFA, new requirements for registration in the System for Awards Management (SAM), which is required as part of the Grants.gov registration process, may take more time than in recent years. The CDFI Fund will not extend the Application deadline for any Applicant that started the Grants.gov registration process but did not complete it by the deadline. An Applicant that has previously registered with Grants.gov must verify that its registration is current and active. Applicants should contact Grants.gov directly with questions related to the registration or submission process as the CDFI Fund does not maintain the Grants.gov system.

Each Application must be signed by a designated Authorized Representative in AMIS before it can be submitted. Applicants must ensure that an Authorized Representative is authorized to sign legal documents on behalf of the organization. Consultants working on behalf of the organization may not be designated as Authorized Representatives. Only a designated Authorized Representative or Application Point of Contact, included in the Application, may submit the Application in AMIS. If an Authorized Representative or Application Point of Contact does not submit the Application, the Application will be deemed ineligible.

D. Dun & Bradstreet Universal Numbering System (DUNS): Pursuant to the Uniform Requirements, each Applicant must provide as part of its Application submission, a Dun and Bradstreet Universal Numbering System (DUNS) number. Applicants without a DUNS number will not be able to register and submit an Application in the Grants.gov system. Allow sufficient time for Dun & Bradstreet to respond to inquiries and/or requests for DUNS numbers.

E. System for Award Management (SAM): Any entity applying for Federal grants or other forms of Federal financial assistance through Grants.gov must be registered in SAM before submitting its Application. Registration in SAM is required as part of the Grants.gov registration process. The SAM registration process may take one month or longer to complete. A signed notarized letter identifying the SAM authorized entity administrator for the entity associated with the DUNS number is required. This requirement is applicable to new entities registering in SAM, as well as to existing entities with registrations being updated or renewed in SAM. Applicants without DUNS and/or EIN numbers should allow for additional time as an Applicant cannot register in SAM without those required numbers. Applicants that have previously completed the SAM registration process must verify that their SAM accounts are current and active. Each Applicant must continue to maintain an active SAM registration with current information at all

times during which it has an active Federal award or an Application under consideration by a Federal awarding agency. The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM account and, as a result, is unable to submit the SF-424 in Grants.gov or Application in AMIS by the applicable Application deadlines. These restrictions also apply to organizations that have not yet received a DUNS or EIN number. Applicants must contact SAM directly with questions related to registration or SAM account changes as the CDFI Fund does not maintain this system and has no ability to make changes or correct errors of any kind. For more information about SAM, visit <https://www.sam.gov>.

Table 11. Grants.gov Registration Timeline Summary

Step	Agency	Estimated Minimum Time to Complete

<p>*Applicants are advised that the stated durations are estimates only and represent minimum timeframes. Actual timeframes may take longer. The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM account, has not yet received a DUNS or EIN number, and/ or fails to properly register in Grants.gov. **This estimate assumes an Applicant has a DUNS number, an EIN number, and is already registered in SAM.gov.</p>

2. Confirmation of Application Submission in Grants.gov and AMIS: Applicants are required to submit the OMB SF-424, Application for Federal Assistance through the Grants.gov system, under the NACA Program Funding Opportunity Number by the applicable deadline. All other Required Application Documents (listed in Table 10) must be submitted through the AMIS website by the applicable deadline. Applicants must submit the SF-424 prior to submitting the

Application in AMIS. If the SF-424 is not successfully accepted by Grants.gov by the deadline, the CDFI Fund will not review the Application submitted in AMIS, and the Application will be deemed ineligible.

a. Grants.gov Submission Information: Each Applicant will receive an e-mail from Grants.gov immediately after submitting the SF-424 confirming that the submission has entered the Grants.gov system. This e-mail will contain a tracking number for the submitted SF-424. Within 48 hours, the Applicant will receive a second e-mail, which will indicate if the submitted SF-424 was either successfully validated or rejected with errors. However, Applicants should not rely on the e-mail notification from Grants.gov to confirm that their SF-424 was validated. Applicants are strongly encouraged to use the tracking number provided in the first e-mail to closely monitor the status of their SF-424 by contacting the helpdesk at Grants.gov directly. The Application material submitted in AMIS is not officially accepted by the CDFI Fund until Grants.gov has validated the SF-424.

b. AMIS Submission Information: AMIS is a web-based portal where Applicants will directly enter their Application information and add the required attachments listed in Table 10. AMIS will verify that the Applicant provided the minimum information required to submit an Application. Applicants are responsible for the quality and accuracy of the information and attachments included in the Application submitted in AMIS. The CDFI Fund strongly encourages Applicants to allow for sufficient time to review and complete all Required Application Documents listed in Table 10, and remedy any issues prior to the Application deadline. Each Application must be signed by an Authorized Representative in AMIS before it can be submitted. Applicants must ensure that the Authorized Representative is authorized to sign legal documents on behalf of the organization. Consultants working on behalf of the

organization may not be designated as Authorized Representatives. Only an Authorized Representative or an Application Point of Contact may submit an Application. If an Authorized Representative or Application Point of Contact does not submit the Application, the Application will be deemed ineligible. **Applicants may only submit one Base-FA or TA Application under the NACA Program.** Upon submission, the Application will be locked and cannot be resubmitted, edited, or modified in any way. The CDFI Fund will not unlock or allow multiple Application submissions.

3. Late Submission: The CDFI Fund will not accept an Application if the SF-424 is not submitted and accepted by Grants.gov by the SF-424 deadline. Additionally, the CDFI Fund will not accept an Application if it is not signed by an Authorized Representative and submitted in AMIS by the Application deadline. In either case, the CDFI Fund will not review any material submitted, and the Application will be deemed ineligible.

However, in cases where a Federal government administrative or technological error directly resulted in a late submission of the SF-424 or the Application, Applicants are provided two opportunities to submit a written request for acceptance of late submissions. The CDFI Fund will not consider the late submission of the SF-424 or the Application that was a direct result of a delay in a Federal Government process, unless such delay was the result of a Federal government administrative or technological error.

a. SF-424 Late Submission: In cases where a Federal government administrative or technological error directly resulted in the late submission of the SF-424, the Applicant must submit a written request for acceptance of the late SF-424 submission and include documentation of the error no later than two business days after the SF-424 deadline. The CDFI Fund will not respond to requests for acceptance of late SF-424 submissions after that time period. Applicants

must submit late SF-424 submission requests to the CDFI Fund via an AMIS service request to the NACA Program with a subject line of “Late SF-424 Submission Request.”

b. Application Late Submission: In cases where a Federal government administrative or technological error directly resulted in a late submission of the Application in AMIS, the Applicant must submit a written request for acceptance of the late Application submission and include documentation of the error no later than two business days after the Application deadline. The CDFI Fund will not respond to requests for acceptance of late Application submissions after that time period. Applicants must submit late Application submission requests to the CDFI Fund via an AMIS service request to the NACA Program with a subject line of “Late Application Submission Request.”

a co-Recipient thereto, with the Sponsoring Entity, thereby transferring any and all remaining balances and/or assets derived from the TA award to the Emerging CDFI.

c. With the exception of Depository Institution Holding Company Applicants, TA awards may not be used to support the activities of, or otherwise be passed through, transferred, or co-awarded to, third-party entities, whether Affiliates, Subsidiaries, or others, unless done pursuant to a merger or acquisition or similar transaction, and with the CDFI Fund's prior written consent.

V. APPLICATION REVIEW INFORMATION

A. Criteria: If the Applicant has submitted an eligible Application, the CDFI Fund will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFA, the Application guidance, and the Uniform Requirements. The CDFI Fund reserves the right to contact the Applicant by telephone, e-mail, or mail for the purpose of clarifying or confirming Application information. If contacted, the Applicant must respond within the time period communicated by the CDFI Fund or risk that its Application will be rejected. The CDFI Fund will review the Base-FA, DF-FA, PPC-FA, HFFI-FA, and TA Applications in accordance with the process below. All internal and external reviewers will complete the CDFI Fund's conflict of interest process. The CDFI Fund's Application conflict of interest policy is located on the CDFI Fund's website.

1. Base-FA Application Scoring, Award Selection, Review, and Selection Process: The CDFI

Fund will evaluate each Application using a five-step review process illustrated in the sections below. Applicants that meet the minimum criteria will advance to the next step in the review process. Applicants applying as a Community Partnership must describe the partnership in the Application pursuant to the requirements set forth in Table 8, and will be evaluated in accordance with the review process described below.

a. Step 1: Eligibility Review: The CDFI Fund will evaluate each Application to determine its eligibility status pursuant to Section III of this NOFA.

b. Step 2: Financial Analysis and Compliance Risk Evaluation: Step 2 contains two main components: Financial Analysis and Compliance Risk Evaluation.

- i. Step 2: Financial Analysis: For Insured Depository Institutions, the CDFI Fund will consider financial safety and soundness information from the Appropriate Federal or State Banking Agency. As detailed in Table 8, each Insured Depository Institution FA Applicant must have a CAMELS/CAMEL rating of at least “3” and/or no significant materials concerns from its regulator.

For non-regulated Applicants, the CDFI Fund will evaluate the financial health and viability of each non-regulated Applicant using financial information provided by the Applicant. The CDFI Fund will also evaluate the compliance risk of each non-regulated Applicant using information provided in the Application as well as an Applicant’s reporting history, reporting capacity, and performance risk with respect to the CDFI Fund’s Performance Goals and Measures (PG&Ms). For the Financial Analysis, each non-regulated Applicant will receive a Total Financial Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. The Total Financial Composite Score is based on the analysis of twenty-three (23) financial indicators. Applications will be

grouped based on the Total Financial Composite Score. Applicants must receive a Total Financial Composite Score of one (1), two (2), or three (3) to advance to Step 3.

Applicants that receive an initial Total Financial Composite Score of four (4) or five (5) will be re-evaluated and re-scored by CDFI Fund staff. If the Total Financial Composite Score remains four (4) or five (5) after CDFI Fund staff review, the Applicant will not advance to Step 3.

- ii. Step 2: Compliance Risk Evaluation: For the compliance analysis, the CDFI Fund will evaluate the compliance risk of each Applicant using information provided in the Application as well as an Applicant's reporting history, reporting capacity, and performance risk with respect to the CDFI Fund's PG&Ms. Each Applicant will receive a Total Compliance Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. Applicants that receive an initial Total Compliance Composite Score of four (4) or five (5) will be re-evaluated by CDFI Fund Staff. If the Applicant is deemed a high compliance risk after CDFI Fund Staff review, the Applicant will not advance to Step 3.

c. Step 3: Business Plan Review: Applicants that proceed to Step 3 will be evaluated on the soundness of its comprehensive business plan. Two external non-CDFI Fund Reviewers will conduct the Step 3 evaluation. Reviewers will evaluate the Application sections listed in Table 13. All Applications will be reviewed in accordance with standard reviewer evaluation materials for the business plan review. Applications will be ranked based on Total Business Plan Scores, in descending order. In order to advance to Step 4, Applicants must receive a Total Business Plan Score that is either (1) equal to receiving a point score equivalent to a "Good" out of a ranking scale in descending order of Excellent, Good, Fair, Limited or Poor, in each section listed in

Table 13, or (2) within the top 70 percent of the NACA FA Applicant pool, whichever is greater.

In the case of tied Total Business Plan Scores that would prevent an Applicant from moving to Step 4, all Applicants with the same score will progress to Step 4.

Table 13. Step 3: Base-FA Business Plan Review Scoring Criteria		
Base-FA Application Sections	Possible Score	Score Needed to Advance
Executive Summary	Not Scored	N/A
Business Strategy	12	N/A
Market and Competitive Analysis	7	N/A
Products and Services	12	N/A
Management and Track Record	12	N/A
Growth and Projections	7	N/A
Total Business Plan Score	50	NACA Applicants: Top 70 percent of all NACA Applicant Step 3 Scores

d. Step 4: Policy Objective Review: The CDFI Fund internal reviewers will evaluate each Application to determine its ability to meet policy objectives of the CDFI Fund. The policy objectives considered in this evaluation are listed in Table 14 below. The CDFI Fund also conducts a due diligence review for Applications that includes an analysis of programmatic risk factors including, but not limited to: history of performance in managing Federal awards (including timeliness of reporting and compliance); ability to meet FA Objective(s) selected by Base-FA Applicants in their Applications; reports and findings from audits; and the Applicant's ability to effectively implement Federal requirements, each of which could impact the Total Policy Objective Review Score. Each Applicant will be evaluated in each of the categories listed in Table 14, and will receive a Total Policy Objective Review Composite Score on a scale of one (1) to five (5), with one (1) being the highest score. Applicants are then grouped according to Total Policy Objective Review Scores.

Table 14. Step 4: Base-FA Policy Review Scoring Criteria			
Section	Possible Scores	High Score	Score Needed to Advance
Economic Distress	1, 2, 3, 4, or 5	1	N/A
Economic Opportunities	1, 2, 3, 4, or 5	1	N/A
Community Collaboration	1, 2, 3, 4, or 5	1	N/A
Total Policy Objective Review Composite Score	1, 2, 3, 4, or 5	1	All Scores Advance

e. Step 5: Award Amount Determination: The CDFI Fund determines an award amount for each Application based on the Step 4 Total Policy Objective Review Score, the Applicant’s request amount, and on certain other factors, including but not limited to, an Applicant’s deployment track record, minimum award size, and funding availability. Award amounts may be reduced from the requested award amount as a result of this analysis. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

2. Healthy Food Financing Initiative-FA (HFFI-FA) Application Scoring, Award Selection,

Review, and Selection Process: A CDFI Fund internal reviewer will evaluate each HFFI-FA

Application associated with a Base-FA Application that progresses to Step 4 of the FA

Application review process. The reviewer will evaluate the Application sections listed in Table

15 and assign a Total HFFI- FA Score up to 60 points. The CDFI Fund will make awards to the

highest scoring Applicants first. All Applications will be reviewed in accordance with standard

reviewer evaluation materials. Applicants that fail to receive a Base-FA award will not be

considered for a HFFI-FA award.

The CDFI Fund conducts additional levels of due diligence for Applications that are in

contention for an HFFI-FA award. This due diligence includes an analysis of programmatic and

financial risk factors including, but not limited to, financial stability, quality of management systems and ability to meet award management standards, history of performance in managing Federal awards (including timeliness of reporting and compliance), reports and findings from audits, and the Applicant’s ability to effectively implement Federal requirements. Award amounts may be reduced from the requested award amount as a result of this analysis. The CDFI Fund may reduce awards sizes from requested amounts based on certain variables, including but not limited to, an Applicant’s loan disbursement activity or total portfolio outstanding. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

Table 15. Step 4 HFFI-FA Application Scoring Criteria	
Sections	Possible Score
Target Market Profile	20 points
Healthy Food Financial Products	20 points
Projected HFFI-FA Activities and HFFI Track Record	15 points
Management Capacity for Providing Healthy Food Financing	5 points
Total HFFI- FA Possible Score	60 points

3. Persistent Poverty Counties – Financial Assistance (PPC-FA) Application Scoring, Award Selection, Review, and Selection Process: A CDFI Fund internal reviewer will evaluate the PPC-FA request of each associated Base-FA Application that progresses to Step 4 of the FA Application review process. PPC-FA requests are not scored. PPC-FA award amounts will be determined based on the total number of eligible Applicants and funding availability, the Applicant’s requested amount, and on certain factors, including but not limited to, an Applicant’s overall portfolio size, historical track record of deployment in PPC, pipeline of projects in PPC, minimum award size, and funding availability. Applicants that fail to receive a Base-FA award will not be considered for a PPC-FA award.

4. Disability Funds-Financial Assistance (DF-FA) Application Scoring, Award Selection,

Review, and Selection Process: A CDFI Fund internal reviewer will evaluate each DF-FA Application associated with a Base-FA Application that progresses to Step 4 of the FA Application review process. The reviewer will evaluate the Application and assign a Total DF-FA Score on a scale of one (1) to three (3), with one (1) being the highest score. Applicants are then grouped according to Total DF-FA Score. All Applications will be reviewed in accordance with standard reviewer evaluation materials. Applicants that fail to receive a Base-FA award will not be considered for a DF-FA award. Award amounts will be determined on the basis of the Total DF-FA Score, the Applicant's requested amount, and on certain factors, including but not limited to, an Applicant's deployment track record, minimum award size, and funding availability. Award amounts may be reduced from the requested award amount as a result of this analysis. The CDFI Fund will make awards to the highest scoring Applicants first.

Table 16. Step 3 DF-FA Application Scoring Criteria		
Section	Possible Scores	High Score
DF-FA Narrative Questions	1, 2, or 3	1
Total DF-FA Score	1, 2, or 3	1

5. Technical Assistance (TA) Application Scoring, Award Selection, Review, and Selection

Process: The CDFI Fund will evaluate each Application to determine its eligibility pursuant to Section III of this NOFA. If the Application satisfies the eligibility criteria, the CDFI Fund will evaluate the TA Application. Sponsoring Entity, Emerging CDFI or Certifiable CDFI Applicants must receive a rating of Low Risk or Medium Risk in Section I of the TA Business Plan Review to progress to Section II of the TA Business Plan Review. Sponsoring Entity, Emerging CDFI or Certifiable CDFI Applicants that receive a rating of High Risk in Section I of the TA Business Plan Review will not be considered for an award. Sponsoring Entity, Emerging CDFI, Certifiable

CDFI, and Certified CDFI Applicants must receive a rating of Low Risk or Medium Risk in Section II of the TA Business Plan Review to be considered for an award. Applicants that receive a rating of High Risk in Section II of the TA Business Plan Review will not be considered for an award.

An Applicant that is a Certified CDFI will be evaluated on the demonstrated need for TA funding to build the CDFI's capacity, further the Applicant's strategic goals, and achieve impact within the Applicant's Target Market. An Applicant that is an Emerging CDFI or Certifiable CDFI will be evaluated on the Applicant's demonstrated capability and plan to achieve CDFI certification within three years, or if a prior awardee, the certification performance goal and measure stated in its prior Assistance Agreement. An Applicant that is an Emerging CDFI and Certifiable CDFI will also be evaluated on its demonstrated need for TA funding to build the CDFI's capacity and further its strategic goals. An Applicant that is a Sponsoring Entity will be rated on the Applicant's demonstrated capability to create a separate legal entity within one year that will achieve CDFI certification within four years. An Applicant that is a Sponsoring Entity will also be rated on its demonstrated need for TA funding to build the CDFI's capacity and further its strategic goals.

The CDFI Fund will rate each part of the TA Business Plan Review as indicated in Table 17.

Table 17: TA Business Plan Review		
Business Plan Review Component	Applicant Type	Ratings
Section I:		
Primary Mission	Sponsoring Entity, Emerging, and Certifiable Applicants	Low Risk, Medium Risk, or High Risk
Financing Entity	Sponsoring Entity, Emerging, and Certifiable Applicants	
Target Market	Sponsoring Entity, Emerging, and Certifiable Applicants	
Accountability	Sponsoring Entity, Emerging, and Certifiable Applicants	
Development Services	Sponsoring Entity, Emerging, and Certifiable Applicants	
Section II:		
Target Market Needs & Strategy	Sponsoring Entity, Emerging, Certifiable, and Certified Applicants	Low Risk, Medium Risk, or High Risk
Organizational Capacity	Sponsoring Entity, Emerging, Certifiable, and Certified Applicants	
Management Capacity	Sponsoring Entity, Emerging, Certifiable, and Certified Applicants	

Each TA Application will be evaluated by one internal CDFI Fund reviewer. All Applications will be reviewed in accordance with CDFI Fund standard reviewer evaluation materials for the Business Plan Review.

The CDFI Fund conducts additional levels of due diligence for Applications that are in contention for an award. This due diligence includes an analysis of programmatic and financial risk factors including, but not limited to, financial stability, history of performance in managing

Federal awards (including timeliness of reporting and compliance), reports and findings from audits, and the Applicant's ability to effectively implement Federal requirements. The CDFI Fund will also evaluate the compliance risk of each Applicant using information provided in the Application as well as an Applicant's reporting history, reporting capacity, and performance risk with respect to the CDFI Fund's PG&Ms. Each Applicant will receive a Total Compliance Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. Applicants that receive an initial Total Compliance Composite Score of four (4) or five (5) will be re-evaluated by CDFI Fund Staff. If the Applicant is deemed a high compliance risk after CDFI Staff review, the Applicant will not be considered for an award. The CDFI Fund will also evaluate the Applicant's ability to meet certification criteria of being a legal entity and a non-government entity. Award amounts may be reduced as a result of the due diligence analysis in addition to consideration of the eligibility of an Applicant's funding request and similar factors. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

6. Insured Depository Institutions: The CDFI Fund will consider safety and soundness information from the Appropriate Federal or State Banking Agency. If the Applicant is a CDFI Depository Institution Holding Company, the CDFI Fund will consider information provided by the Appropriate Federal or State Banking Agencies about both the CDFI Depository Institution Holding Company and the Certified CDFI Subsidiary Insured Depository Institution that will expend and carry out the award. If the Appropriate Federal or State Banking Agency identifies safety and soundness concerns, the CDFI Fund will assess whether such concerns cause or will cause the Applicant to be incapable of undertaking the activities for which funding has been requested.

7. Non-Regulated Institutions:

The CDFI Fund must ensure, to the maximum extent practicable, that Recipients which are non-regulated CDFIs are financially and managerially sound, and maintain appropriate internal controls (12 U.S.C. 4707(f)(1)(A) and 12 CFR 1805.800(b)). Further, the CDFI Fund must determine that an Applicant's capacity to operate as a CDFI and its continued viability will not be dependent upon assistance from the CDFI Fund (12 U.S.C. 4704(b)(2)(A)). If it is determined that the Applicant is incapable of meeting these requirements, the CDFI Fund reserves the right to deem the Applicant ineligible or terminate the award.

B. Anticipated Award Announcement: The CDFI Fund anticipates making NACA Program award announcement before December 31, 2019. However, the anticipated award announcement date is subject to change without notice.

C. Application Rejection: The CDFI Fund reserves the right to reject an Application if information (including administrative errors) comes to the CDFI Fund's attention that: adversely affects an Applicant's eligibility for an award; adversely affects the Recipient's certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI Fund's evaluation or scoring of an Application; or indicates fraud or mismanagement on the Applicant's part. If the CDFI Fund determines any portion of the Application is incorrect in a material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application. The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If the changes materially affect the CDFI Fund's award decisions, the CDFI Fund will provide information about the changes through its website. The CDFI Fund's award decisions are final, and there is no right to appeal decisions.

D. External Non-CDFI Fund Reviewers: All external non-CDFI Fund reviewers are selected

based on criteria that includes a professional background in community and economic development finance, and experience reviewing the financial statements of all CDFI institution types. Reviewers must complete the CDFI Fund's conflict of interest process and be approved by the CDFI Fund. The CDFI Fund's Application reader conflict of interest policy is located on the CDFI Fund's website.

VI. FEDERAL AWARD ADMINISTRATION INFORMATION

A. Award Notification: Each successful Applicant will receive an e-mail "notice of award" notification from the CDFI Fund stating that its Application has been approved for an award. Each Applicant not selected for an award will receive an e-mail stating that a debriefing notice has been provided in its AMIS account.

B. Assistance Agreement: Each Applicant selected to receive an award must enter into an Assistance Agreement with the CDFI Fund in order to receive a payment(s). The Assistance Agreement will set forth the award's terms and conditions, including but not be limited to the: (i) award amount; (ii) award type; (iii) award uses; (iv) eligible use of funds; (v) performance goals and measures; and (vi) reporting requirements. FA Assistance Agreements have three-year periods of performance. TA Assistance Agreements have two-year periods of performance for Certified CDFIs, three-year periods of performance for Emerging CDFIs or Certifiable CDFIs, and four-year periods of performance for Sponsoring Entity TA Recipients. Upon creation of the Emerging CDFI, the Sponsoring Entity will request the CDFI Fund to amend the Assistance Agreement and add the Emerging CDFI as a party thereto; the Emerging CDFI, as co-awardee, must comply with all of the requirements in the Assistance Agreement, including all program goals and measures.

1. Certificate of Good Standing: All FA and TA Recipients that are not Insured Depository Institutions will be required to provide the CDFI Fund with a certificate of good standing from the secretary of state for the Recipient's jurisdiction of formation prior to closing. This certificate can often be acquired online on the secretary of state website for the Recipient's jurisdiction of formation and must generally be dated within 180 days prior to the date the Recipient executes the Assistance Agreement. Due to potential backlogs in state government offices, Applicants are advised to submit requests for certificates of good standing no later than 60 days after they submit their Applications.

2. Closing: Pursuant to the Assistance Agreement, there will be an initial closing at which point the Assistance Agreement and related documents will be properly executed and delivered, and an initial payment of FA or TA may be made. FA Recipients that are subject to the matching funds requirement will not receive a payment until 100 percent of their matching funds are In-Hand. The first payment is the estimated amount of award that the Recipient states in its Application that it will use for eligible FA or TA activities in the first 12 months after the award announcement. The CDFI Fund reserves the right to increase the first payment amount on any award to ensure that any subsequent payments are greater than \$25,000 for FA and \$5,000 for TA awards.

The CDFI Fund will minimize the time between the Recipient incurring costs for eligible activities and award payment in accordance with the Uniform Requirements. Advanced payments for eligible activities will occur no more than one year in advance of the Recipient incurring costs for the eligible activities. Following the initial closing, there may be subsequent closings involving additional award payments. Any documentation in addition to the Assistant

Agreement that is connected with such subsequent closings and payments shall be properly executed and timely delivered by the Recipient to the CDFI Fund.

3. Requirements Prior to Entering into an Assistance Agreement: If, prior to entering into an Assistance Agreement, information (including administrative errors) comes to the CDFI Fund’s attention that: adversely affects the Recipient’s eligibility for an award; adversely affects the Recipient’s certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI Fund’s evaluation of the Application; indicates that the Recipient is not in compliance with any requirement listed in the Uniform Requirements; the Recipient has failed to execute and return a prior round Assistance Agreement to the CDFI Fund within the CDFI Fund’s deadlines; or indicates fraud or mismanagement on the Recipient’s part, the CDFI Fund may, in its discretion and without advance notice to the Recipient, terminate the award or take such other actions as it deems appropriate. The CDFI Fund reserves the right, in its sole discretion, to rescind an award if the Recipient fails to return the Assistance Agreement, signed by the Authorized Representative of the Recipient, and/or provide the CDFI Fund with any requested documentation, within the CDFI Fund’s deadlines.

In addition, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the Assistance Agreement and the award made under this NOFA pending the criteria described in the following table:

Table 18. Requirements Prior to Executing an Assistance Agreement	
Requirement	Criteria
Failure to meet reporting requirements	If a Recipient received a prior award under any CDFI Fund program and is not in compliance with the reporting requirements of the previously executed agreement(s), the CDFI Fund may delay entering into an Assistance Agreement or disbursing an award until such reporting requirements are met. Financial Statement Audit Report (For-Profit Recipient)	For-profit Recipients must submit a FSA report in AMIS, along with the Recipient's statement of financial condition audited or reviewed by an independent certified public accountant.

--	---

Each Recipient is responsible for the timely and complete submission of the Annual Reporting Requirements. Sponsoring Entities with co-awardees will be informed of any reporting shifts at the time the Emerging CDFI is adjoined to the Agreement. The CDFI Fund reserves the right to contact the Recipient and additional entities or signatories to the Assistance Agreement to request additional information and/or documentation. The CDFI Fund will use such information to monitor each Recipient's compliance with the requirements of the Assistance Agreement and to assess the impact of the NACA Program. The CDFI Fund reserves the right, in its sole discretion, to modify these reporting requirements, including increasing the scope and frequency of reporting, if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after notice to Recipients.

2. Financial Management and Accounting: The CDFI Fund will require Recipients to maintain financial management and accounting systems that comply with Federal statutes, regulations, and the terms and conditions of the Federal award. These systems must be sufficient to permit the preparation of reports required by the CDFI Fund to ensure compliance with the terms and conditions of the NACA Program, including the tracing of funds to a level of expenditures adequate to establish that such funds have been used in accordance with Federal statutes, regulations, and the terms and conditions of the Federal award.

The cost principles used by Recipients must be consistent with Federal cost principles and support the accumulation of costs as required by the principles, and must provide for adequate

documentation to support costs charged to the NACA Program award. In addition, the CDFI Fund will require Recipients to: maintain effective internal controls; comply with applicable statutes, regulations, and the Assistance Agreement; evaluate and monitor compliance; take appropriate action when not in compliance; and safeguard personally identifiable information.
