Correction

This notice is to correct burden hour estimates included in a notice requesting comments on an Information Collection (84 FR 17449). In the Federal Register of April 25, 2019, in FR Doc. 2019-

08340, on page 17450, in the first column, correct “Estimated Total Annual Burden Hours: 104,244 hours” to “Estimated Total Annual Burden Hours: 106,244 hours” and, at the end of the paragraph directly under “Estimated Total Annual Burden Hours: 106,244 hours,” add, “However, the States’ overhead cost include on average 2,000 hours spent by supervisors responding to FARS that are not counted in the coding hours every year. Thus, the total estimated annual burden is 106,244 hours.”
