Proposed Collection Title: The National Cancer Institute's Introduction to Cancer Research Careers (ICRC) Application (NCI), 0925-XXXX, Exp., Date XX/XXXX, NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: The National Cancer Institute's (NCI) ICRC fellowship program supports NCI's goal of training cancer researchers for the 21st century. Applying to the ICRC program through the ICRC website application is

required in order for undergraduates, postbaccalaureate, graduate student candidates to be considered for entry into the program. The purpose of the ICRC Application is to assure that candidates for the ICRC program meet basic eligibility requirements; to assess their potential as future scientists; to determine where mutual research interests exist; and to make decisions regarding which applicants will be proposed and approved for fellowship awards. The information is for internal use to make decisions about prospective fellows and students that could benefit from the ICRC program.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden are 240 hours.
