SUPPLEMENTARY INFORMATION:

Under the PRA, federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include obtaining, causing to be obtained, soliciting, or requiring the disclosure to an agency of information by means of identical questions posed to, or identical reporting, recordkeeping, or disclosure requirements imposed on, ten or more persons. The OCC requests that OMB extend its approval of the information collection set forth in this notice.

Title: Municipal Securities Dealers and Government Securities Brokers and Dealers – Registration and Withdrawal.

OMB Control No.: 1557-0184.

Form Numbers: MSD, MSDW,² MSD-4, MSD-5, G-FIN, G-FINW, GFIN-4 and GFIN-5.³

Description: This information collection is required to satisfy the requirements of section 15B⁴ and section 15C⁵ of the Securities Exchange Act of 1934, which require, in part, any national bank or federal savings association that acts as a government securities broker/dealer or a municipal securities dealer to file the appropriate form with the OCC to inform the agency of its broker/dealer activities. The OCC uses this information to

² The Securities and Exchange Commission (SEC) maintains collections for the MSD and MSDW under OMB Control Nos. 3235-0083 and 3235-0087; however, there is a requirement that these be filed with the OCC, which is covered by OMB Control No. 1557-0184.

³ The Department of the Treasury maintains collections for the G-FIN-4 and G-FIN-5 under OMB Control No. 1535-0089; however, there is a requirement that the forms be filed with the OCC, which is covered by OMB Control No. 1557-0184.

⁵ 15 U.S.C. 78o-5.

determine which national banks and federal savings associations are acting as government securities broker/dealers and municipal securities dealers and to monitor entry into and exit from these activities by institutions and registered persons. The OCC also uses the information in planning national bank and federal savings association examinations.

The OCC proposes to revise Form MSD-4 and Form MSD-5 to (1) remove the date of birth and place of birth items from the 'Personal History of the Applicant' section from the Form MSD-4 report form and instructions and (2) include the OCC's Privacy Act notice on the respective Form MSD-4 and Form MSD-5.

The date of birth and place of birth data fields are considered personally identifiable information (PII). The OCC generally does not need the information in these fields in order to perform its supervisory responsibilities regarding the review applications to become municipal securities principals or representatives but could obtain this information on a case-by-case basis, when needed. The OCC is making an effort to remove PII from its supervisory reports if that PII is not critical to fulfilling its supervisory responsibilities.

The OCC also proposes to include its Privacy Act notice on the forms. The Privacy Act governs the collection, maintenance, use, and dissemination of information about individuals that is maintained in systems of records by federal agencies. A system of records is a group of records under the control of the agency from which information about individuals is retrieved by name of the individual or some identifier assigned to the individual. Under the Privacy Act, an agency that maintains a system of records must provide notice to individuals, at the point of collection of information maintained in the

system of records, of: (1) the authority which authorizes the collection and whether the collection is mandatory or voluntary; (2) the purpose of the collection; (3) the routine uses which may be made of the information; and (4) the effects of not disclosing the information.

Non-substantive changes are being made to the G-FIN and G-FINW forms to clarify where to file, the number of copies to file, and to generally update the forms and instructions.

Type of Review: Revision of a currently approved collection.

Affected Public: Businesses or other for-profit; individuals.

Estimated Number of Respondents: 17 (6 government securities dealers and 11 municipal and government securities dealers).

Estimated Number of Responses: 672.

Frequency of Response: On occasion.

Estimated Annual Burden: 587 burden hours.

On April 1, 2019, the OCC issued a notice for 60 days of comments regarding this collection, 84 FR 12324. No comments were received.

Comments continue to be invited on:

- (a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;
- (b) The accuracy of the OCC's estimate of the information collection burden;
- (c) Ways to enhance the quality, utility, and clarity of the information to be collected;
- (d) Ways to minimize the burden of the collection on respondents, including

through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
