FEDERAL TRADE COMMISSION

Request for Contractor Submission of Final Invoices for Expired Contracts

AGENCY: Federal Trade Commission.

ACTION: Notice; Request for Final Invoices.

SUMMARY: The Federal Trade Commission (“FTC” or “Commission”) currently has open files for contracts that have lapsed. The contract periods of performance for services and final delivery dates for goods have expired and the time allowed for contract file closeout is overdue. To clear the backlog of physically completed contracts (FAR 4.804) the FTC will utilize the procedure described below based on FAR 4.804-5 and 42.708 that will enable the Commission to close these files all at one time in an efficient and cost effective manner. No separate contract modifications will be issued.

DATES: The files are deemed closed as of the date of publication of this Notice. To facilitate the closeout, the FTC requests that contractors with contracts identified on the list, contained in Appendix A to this document, submit any outstanding invoices to the FTC Acquisition Division no later than September 13, 2019.

ADDRESSES: Contractors should submit invoices as attachments to email messages, which should be addressed to Acquisitions@ftc.gov.

FOR FURTHER INFORMATION CONTACT: Leonard Nadybal, Chief Acquisitions Officer, Federal Trade Commission, 600 Pennsylvania Avenue NW, Washington DC 20580. Telephone: (202) 326-2298. Email: lnadybal@ftc.gov.

SUPPLEMENTARY INFORMATION: The FTC’s backlog of files pose a significant burden on the Commission as this contracting office transitions from one contract writing

system to another. Using standard file closure procedures on the volume of old existing files would impede efforts to modernize the FTC's procurement operation and hinder deployment of the interface between the contract writing system and the new financial management system. Importantly, not processing these file closeouts as quickly as possible will further delay contractors from receiving income from potential unpaid balances or leave them unaware that the claims process remains available.

The procedure takes into account that contractors have the right to concur with closure, to issue final invoices and make claims. The procedure is being applied only to contracts deemed to be extremely low risk. For instance, the contracts listed in the Appendix have lapsed periods of performance, have no or only inconsequential amounts of funds obligated to them that need to be deobligated, have no option periods remaining to be exercised, contain no provisions for post-award adjustments of labor rates or incentives, and have not had any invoice or payment activity in Fiscal Year 2019.

The procedure to be applied was developed and used by other agencies to significantly and swiftly reduce the number of expired contracts with unliquidated funds, and will have mutual benefits for the government and contractors by enabling the Commission to expeditiously close these actions and pay final bills.

Notwithstanding the FTC's intention to close out expeditiously the files identified in Appendix A, contractors' rights are protected under 41 U.S.C. chapter 71 Contract Disputes (commonly known as the Contract Disputes Act of 1978), which establishes procedures for filing claims against Federal Government contracts. Normal contract file retention requirements will apply after closeout. (*See* 48 CFR § 4.805).

This notice will also be published to FedBizOpps at <https://www.fbo.gov/>.

Leonard A. Nadybal,
Chief Procurement Officer /
Assistant CFO.

Appendix A

List of aged FTC contracts to be closed simultaneously.

Note that the fiscal year of award is shown in the contract number as two digits that follow the prefixes "FTC" or "29FTC1".

A suffix "A" indicates a modification to the contract or order.

Digits following a "/" (slash mark) indicate the number of a task order issued under the contract or agreement that is numbered to the left of the slash mark.

Confidential and classified contracts are grouped under generic company names "Domestic Awardees" and "Foreign Awardees". The name of the contractor does not appear. If you believe you own one of the confidential or classified contracts and have an outstanding invoice or claim, contact the FTC Chief of Acquisitions through the email address in the document above.
