**SUPPLEMENTARY INFORMATION:** The Office of the Special Trustee for American Indians (OST) no longer uses the OS-08, OST Parking Assignment Records, system of records to collect and maintain parking permits for employees and contractors. In September 2013, OST opened parking to all OST employees, contractors, and visitors and discontinued the use of parking permits to control parking access. The records in this system were previously maintained in accordance with General Records Schedule (GRS), GRS 11/4a, which was approved by the National Archives and Records Administration. The retention period was six months, and all parking permit records maintained in the system were disposed of in accordance with GRS 11/4a.

Pursuant to the provisions of the Privacy Act of 1974, as amended, the OST is removing the OS-08, OST Parking Assignment Records, from its system of records

inventory. Rescinding the OS-08, OST Parking Assignment Records, system of records notice will have no adverse impacts on individuals as the records previously maintained in the system were disposed of in accordance with an approved records retention schedule. This rescindment will also promote the overall streamlining and management of Department of the Interior Privacy Act systems of records.

**SYSTEM NAME AND NUMBER:**
