General Description of Collection:

This voluntary information collection applies to entities regulated by the FDIC for purposes of assessing their diversity policies and practices as described in the final Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies. The FDIC may use the information submitted by the entities it regulates to monitor progress and trends in the financial services industry with regard to diversity and inclusion in employment and contracting activities and to identify and highlight those policies and practices that have been successful. The FDIC will continue to reach out to the regulated entities and other interested parties to discuss diversity and inclusion in the financial services industry and share leading practices. The FDIC may also publish information disclosed by the entity, such as any identified leading practices, in a form that does not identify a particular institution or individual or disclose confidential business information. The proposed paper form can be viewed at <https://www.fdic.gov/regulations/laws/federal/2019/3064-0200/proposed-paper-form.pdf> (*this form will need to be downloaded before it can be opened*); the proposed on-line form can be viewed at <https://www.fdic.gov/regulations/laws/federal/2019/3064-0200/proposed-on-line-form.pdf>; and the revisions to the paper form can be viewed at <https://www.fdic.gov/regulations/laws/federal/2019/3064-0200/proposed-revisions-to-paper-form.pdf>.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
