[Release No. 34-87187; File No. SR-CBOE-2019-072]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Make Minor Updates to and Relocate Chapter XIX, Which Governs the Hearings and Review Process for Persons Aggrieved by Exchange Action, of the Currently Effective Rulebook, to Proposed Chapter 15 of the Shell Structure for the Exchange's Rulebook

October 1, 2019

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 27, 2019, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to make minor updates to and relocate Chapter XIX, which governs the hearings and review process for persons aggrieved by Exchange action, of the currently effective Rulebook (“current Rulebook”) to proposed Chapter 15 of the shell structure for the Exchange's Rulebook that will become

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(iii).

effective upon the migration of the Exchange's trading platform to the same system used by the Cboe Affiliated Exchanges (as defined below) ("shell Rulebook"). The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In 2016, the Exchange's parent company, Cboe Global Markets, Inc. (formerly named CBOE Holdings, Inc.) ("Cboe Global"), which is also the parent company of Cboe C2 Exchange, Inc. ("C2"), acquired Cboe EDGA Exchange, Inc. ("EDGA"), Cboe EDGX Exchange, Inc. ("EDGX" or "EDGX Options"), Cboe BZX Exchange, Inc. ("BZX" or "BZX Options"), and Cboe BYX Exchange, Inc. ("BYX" and, together with Cboe Options, C2, EDGX, EDGA, and BZX, the "Cboe Affiliated Exchanges"). The Cboe Affiliated Exchanges are working to align certain system functionality, retaining only intended differences, between the Cboe Affiliated Exchanges, in the context of a technology migration. Cboe Options intends to migrate its trading platform to the same system used by the Cboe Affiliated Exchanges, which the Exchange expects to complete on October

7, 2019. In connection with this technology migration, the Exchange has a shell Rulebook that resides alongside its current Rulebook, which shell Rulebook will contain the Rules that will be in place upon completion of the Cboe Options technology migration.

The Exchange proposes to relocate and reorganize current Chapter XIX, which governs the hearings and review process for persons aggrieved by Exchange action, into proposed Chapter 15 in the shell Rulebook. The Exchange notes that in addition to relocating and reorganizing the current rules, the proposed rule change deletes these rules from the current Rulebook. The proposed rule change relocates and, where applicable, reorganizes the rules as follows:

Shell Rule	Current Rule
15.1 Scope	19.1 Scope, which incorporates 19.1.01 into body of rule
15.2 Submission of Application to Exchange	19.2 Submission of Application to Exchange
15.3 Procedure Following Applications for Hearing	19.3 Procedure Following Applications for Hearing
15.4 Hearing	19.4 Hearing, which incorporates 19.4.01 into body of shell 15.4(a)
15.5 Review	19.5 Review
15.6 Miscellaneous Provisions	19.6 Miscellaneous Provisions
15.7 Requests for Verification of Fees and Charges	
15.7(a)	19.50 Scope of Part B
15.7(b)	19.51 Definitions
15.7(c) - (f)	19.52 Requests for Verification

The proposed rule changes make only non-substantive changes to the rules in order to update and/or headings that better flow with the relocated and reorganized rules, update cross-

references to other rules and chapters that will be implemented upon migration, update certain technical text formatting that will be used in the Rules upon migration (e.g., using words for numbers below 10 in the rule text and numerals for numbers above 10 in the rule text), incorporate defined terms, and reformat the paragraph lettering and numbering.

Additionally, the proposed rule change deletes “Part B” from the current rule, as there is no Part A, and combines all rule provisions in current Part B into a single rule, as they all relate to a procedure that may be used instead of the procedure set forth in current Rules 19.1 through 19.6 (proposed Rules 15.1 through 15.6) if permitted by the Rules. The Exchange believes this reorganization simplifies these Rules and eliminates potential confusion given the lack of a Part A in this Chapter.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change

⁵ 15 U.S.C. 78f(b) .

⁶ 15 U.S.C. 78f(b)(5) .

is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The proposed rule change does not make any substantive changes to the rules and is merely intended to consolidate and reorganize the Exchange's Rules in anticipation of the technology migration on October 7, 2019. The Exchange believes that the non-substantive proposed changes, which update technical text and formatting (e.g. paragraph headings and number-related references), update rule cross-references, and consolidate and reorganize rules and rule paragraphs and/or Interpretations and Policies, will foster cooperation and coordination with those facilitating transactions in securities and remove impediments to and perfect the mechanism of a free and open market and national market system by simplifying the Exchange Rules and Rulebook as a whole, and making its Rules easier to follow and understand, which will also result in less burdensome and more efficient regulatory compliance.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange reiterates that the proposed rule change is being proposed in the context of a technology migration of the Cboe Affiliated Exchanges, and not as a competitive filing. The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition because it does not make any substantive changes to the current Exchange Rules. The proposed rule change merely intends to provide consolidated rules upon migration and is consistent with the technical text and formatting in the shell Rulebook that will be in place come October 7, 2019. The Exchange does not believe that the proposed rule change will impose any

⁷ Id.

burden on intermarket competition because the proposed rules are the same as the Exchange's current rules, all of which have all been previously filed with the Commission.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹⁰ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay. The Exchange believes that waiver of the operative delay is appropriate because, as the Exchange discussed above, its proposal does not make any substantive changes to the Exchange Rules, and only consolidates and reorganizes the rules in Chapter XIX, which governs the hearings and review process for persons aggrieved by Exchange

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied that requirement.

action, and moves them to the shell Rulebook that the Exchange wishes to maintain post migration. Accordingly, its proposal is designed to preserve its hearings and review process rules after October 7, 2019. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal does not raise any new or novel issues and makes only non-substantive changes to the rules. Therefore, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
