Federal Aviation Administration

[Docket No. FAA-2019-0228]

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Operations Specifications, Part 129 Application

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on April 3, 2019. There were no comments. The FAA assesses the information collected and issues operations specifications to foreign air carriers. These operations specifications assure the foreign air carrier's ability to navigate and communicate safely within the U.S. National Airspace System. The FAA, based on additional data analysis, has amended the number of respondents and burden to include that on an existing operators. An existing operator is any operator who has already received their initial set of operations specifications.

DATES: Written comments should be submitted by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation / FAA, and sent via electronic mail to oir_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street, NW., Washington, DC 20503.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0749

Title: Operations Specifications, Part 129 Application.

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on April 3, 2019 (84 FR 13095). The final rule published in 2013, clarified and standardized the rules for applications by foreign air carriers and foreign persons for operations specifications issued under 14 CFR part 129 and established standards for amendment, suspension and termination of those operations specifications. The final rule also applied to foreign air carriers and foreign persons operating U.S.-registered aircraft in common carriage solely outside the United States. This action was necessary to update the process for issuing operations specifications, and it established a regulatory basis for current practices, such as amending, terminating, and suspending operations specifications.

Respondents: Approximately 28 new applicants and 467 existing foreign air carriers and foreign persons annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 10 Hours for new applicants. One to ten hours for existing applicants.

Estimated Total Annual Burden: 280 hours for new applicants and 467 to 4670 hours for existing applicants.

Issued in Washington, DC on October 7, 2019.

Robert C. Carty.

Deputy Executive Director, Flight Standards Service.
