SUPPLEMENTARY INFORMATION:

Scope-- For purposes of these investigations, Commerce has defined the subject merchandise as wooden cabinets and vanities that are for permanent installation (including floor mounted, wall mounted, ceiling hung or by attachment of plumbing), and wooden components thereof. Wooden cabinets and vanities and wooden components are made substantially of wood products, including solid wood and engineered wood products (including those made from wood particles, fibers, or other wooden materials such as plywood, strand board, block board, particle board, or fiberboard), or bamboo. Wooden cabinets and vanities consist of a cabinet box (which typically includes a top, bottom, sides, back, base blockers, ends/end panels, stretcher rails, toe kicks, and/or shelves) and may or may not include a frame, door, drawers and/or shelves. Subject merchandise includes wooden cabinets and vanities with or without wood veneers, wood, paper or other overlays, or laminates, with or without non-wood components or trim such as metal, marble, glass, plastic, or other resins, whether or not surface finished or unfinished, and whether or not completed.

Wooden cabinets and vanities are covered by the investigation whether or not they are imported attached to, or in conjunction with, faucets, metal plumbing, sinks and/or sink bowls, or countertops. If wooden cabinets or vanities are imported attached to, or in conjunction with, such merchandise, only the wooden cabinet or vanity is covered by the scope.

Subject merchandise includes the following wooden component parts of cabinets and vanities:

(1) wooden cabinet and vanity frames (2) wooden cabinet and vanity boxes (which typically include a top, bottom, sides, back, base blockers, ends/end panels, stretcher rails, toe kicks, and/or shelves), (3) wooden cabinet or vanity doors, (4) wooden cabinet or vanity drawers and drawer components (which typically include sides, backs, bottoms, and faces), (5) back panels

and end panels, (6) and desks, shelves, and tables that are attached to or incorporated in the subject merchandise.

Subject merchandise includes all unassembled, assembled and/or “ready to assemble” (RTA) wooden cabinets and vanities, also commonly known as “flat packs,” except to the extent such merchandise is already covered by the scope of antidumping and countervailing duty orders on Hardwood Plywood from the People's Republic of China. See Certain Hardwood Plywood Products from the People's Republic of China: Amended Final Determination of Sales at Less Than Fair Value, and Antidumping Duty Order, 83 FR 504 (January 4, 2018); Certain Hardwood Plywood Products from the People's Republic of China: Countervailing Duty Order, 83 FR 513 (January 4, 2018). RTA wooden cabinets and vanities are defined as cabinets or vanities packaged so that at the time of importation they may include: (1) wooden components required to assemble a cabinet or vanity (including drawer faces and doors); and (2) parts (e.g., screws, washers, dowels, nails, handles, knobs, adhesive glues) required to assemble a cabinet or vanity. RTAs may enter the United States in one or in multiple packages.

Subject merchandise also includes wooden cabinets and vanities and in-scope components that have been further processed in a third country, including but not limited to one or more of the following: trimming, cutting, notching, punching, drilling, painting, staining, finishing, assembly, or any other processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the in-scope product.

Excluded from the scope of this investigation, if entered separate from a wooden cabinet or vanity are:

(1) Aftermarket accessory items which may be added to or installed into an interior of a cabinet and which are not considered a structural or core component of a wooden cabinet or vanity.

Aftermarket accessory items may be made of wood, metal, plastic, composite material, or a combination thereof that can be inserted into a cabinet and which are utilized in the function of organization/accessibility on the interior of a cabinet; and include:

- Inserts or dividers which are placed into drawer boxes with the purpose of organizing or dividing the internal portion of the drawer into multiple areas for the purpose of containing smaller items such as cutlery, utensils, bathroom essentials, etc.
- Round or oblong inserts that rotate internally in a cabinet for the purpose of accessibility to foodstuffs, dishware, general supplies, etc.

(2) Solid wooden accessories including corbels and rosettes, which serve the primary purpose of decoration and personalization.

(3) Non-wooden cabinet hardware components including metal hinges, brackets, catches, locks, drawer slides, fasteners (nails, screws, tacks, staples), handles, and knobs.

(4) Medicine cabinets that meet all of the following five criteria are excluded from the scope:

(1) wall mounted; (2) assembled at the time of entry into the United States; (3) contain one or more mirrors; (4) be packaged for retail sale at time of entry; and (5) have a maximum depth of seven inches.

Also excluded from the scope of this investigation are:

(1) All products covered by the scope of the antidumping duty order on Wooden Bedroom Furniture from the People's Republic of China. See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture from the People's Republic of China, 70 FR 329 (January 4, 2005).

(2) All products covered by the scope of the antidumping and countervailing duty orders on Hardwood Plywood from the People's Republic of China. See Certain Hardwood Plywood Products from the People's Republic of China: Amended Final Determination of Sales at Less Than Fair Value, and Antidumping Duty Order, 83 FR 504 (January 4, 2018); Certain Hardwood

Plywood Products from the People's Republic of China: Countervailing Duty Order, 83 FR. 513 (January 4, 2018).

The investigations were requested in petitions filed on March 6, 2019, by the American Kitchen Cabinet Alliance.
