Agricultural Marketing Service

TITLE: Tart Cherries Grown in the States of MI, NY, PA, OR, UT, WA, and WI

OMB CONTROL NUMBER: 0581-0177

SUMMARY OF COLLECTION: Marketing Order No. 930 (7 CFR Part 930) regulates the handling of tart cherries grown in Michigan, New York, Pennsylvania, Oregon, Utah, Washington and Wisconsin. The Agricultural Marketing Agreement Act of 1937 authorizes the promulgation and amendment of marketing orders for certain agricultural commodities and the issuance of regulations thereof for the purpose of providing orderly marketing conditions in interstate and intrastate commerce and for improving returns to producers. The primary objective of the Order is to stabilize the supply of tart cherries. Only tart cherries that will be canned or frozen will be regulated. The Order is administered by an 18-member Board comprised of producers, handlers and one public member, plus alternates for each. The members will serve for a three-year term of office.

NEED AND USE OF THE INFORMATION: Various forms were developed by the Board for persons to file required information relating to tart cherry inventories, shipments, diversions and other needed information to effectively carry out the requirements of the Order. The information collected is used to ensure compliance, verify eligibility, and vote on amendments, monitor and record grower's information. Authorized Board employees and the industry are the primary users of the information. If information were not collected, it would eliminate needed data to keep the industry and the Secretary abreast of changes at the State and local level.
