SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930, as amended ("Section 337"), provides that if the Commission finds a violation, it shall direct that the concerned articles be excluded from entry into the United States, unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds such articles should not be excluded from entry. 19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically, whether the Commission should issue: (1) a limited exclusion order ("LEO") against infringing electronic nicotine delivery systems and components thereof that are imported into the United States, sold for importation, or sold in the United States after importation by respondents Eonsmoke, LLC ("Eonsmoke") of Clifton, New Jersey and XFire, Inc. ("XFire") of Stafford, Texas; and (2) cease and desist orders ("CDO") against respondents Eonsmoke and XFire.

The Commission is interested in developing the record on the public interest in this investigation. The parties are to file their public interest submissions pursuant to 19 CFR 210.50(a)(4). Members of the public are hereby invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bond that issued in this investigation on December 13, 2019. Comments should address whether issuance of an LEO or CDO in this investigation, if a violation is found, would affect the public health and welfare in the United

States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) Identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) Indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and
- (v) Explain how the LEO and CDO would impact consumers in the United States.

Written submissions from the public must be filed no later than the close of business on Friday, February 7, 2020.

Persons filing written submissions must file the original document electronically on or before the deadline stated above and submit eight (8) true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.
