SUPPLEMENTARY INFORMATION: Pursuant to section 492A of the Public Health Service (PHS) Act, 42 U.S.C. § 289a-1, as amended, and in accordance with the policy announced on June 5, 2019, the Secretary announces (1) his determination that an advisory board should be convened to recommend whether, with respect to research involving human fetal tissue (HFT) proposed in NIH grant and cooperative agreement applications and R&D contract proposals, described in the NIH Guide Notice NOT-OD-19-128, the Secretary should withhold funds or not withhold funds because of ethical considerations; (2) his intent to convene such an advisory board; and (3) the establishment of the NIH Human Fetal Tissue Ethics Advisory Board – FY 2020. NIH Human Fetal Tissue Ethics Advisory Board – FY 2020 is governed by the Federal Advisory Committee Act (5 U.S.C. App.), which sets forth standards for the formation and use of advisory committees. The number of meetings to be held by the Board will depend on the number of relevant NIH grant and cooperative agreement applications and R&D contract proposals pending the Board’s consideration. Meetings will be open to the public except as determined otherwise by the Secretary in accordance with subsection (c) of section 552b of Title 5 U.S.C. Notice of all meetings will be given to the public.

In accordance with section 492A(5)(B)(ii) of the PHS Act, no later than 180 days after the date on which this notice is published in the *Federal Register*, the Board will submit to the Secretary, the Committee on Energy and Commerce of the House of Representatives, and the Committee on Health, Education, Labor and Pensions of the Senate, a report describing the findings of the Board regarding the project(s) of research involved and recommendations regarding whether the Secretary should or should not withhold funds for the project(s). As required by section 492A(b)(5)(K) of the PHS Act, the Ethics Board will terminate 30 days after the date on which

the required report is submitted to the Secretary, the Committee on Energy and Commerce of the House of Representatives, and the Committee on Health, Education, Labor and Pensions of the Senate.

NOTICE OF ESTABLISHMENT: Pursuant to the Federal Advisory Committee Act, as amended (5 U.S.C. App.), the Secretary of Health and Human Services (HHS), announces the establishment of the NIH Human Fetal Tissue Research Ethics Advisory Board – FY 2020, as authorized by section 492A of the Public Health Service (PHS) Act, 42 U.S.C. § 289a-1, as amended.

The Ethics Board will advise, consult with, and make recommendations to, the Secretary of Health and Human Services (Secretary) regarding the ethics of research involving human fetal tissue (HFT) proposed in NIH grant and cooperative agreement applications and R&D contract proposals, described in the NIH Guide Notice NOT-OD-19-128. Recommendations will address whether the Secretary should withhold funds or not withhold funds from a proposed project because of ethical considerations. In providing advice and recommendations on these matters, the Ethics Board will consider, among other things, the use of alternative models, and review and verify the core ethical principles and procedures used in the process to obtain written voluntary informed consent for the donation of the tissue. The ethical considerations the Ethics Board should consider are those related to whether the nature of the research involved is such that it is unethical to conduct or support the research.

NOTICE OF INTENT TO CONVENE: Consistent with section 492A of the PHS Act, this announcement outlines the intention of the HHS Secretary to convene the Ethics Board and solicits nominations for the individuals who should be considered for appointment to the Board. The Secretary will consider such recommendations in making appointments to the Board.

CALL FOR NOMINATIONS: The Board will be composed of 15 individuals who are not federal employees. Section 492A(b)(5)(C) of the PHS Act establishes certain requirements for the composition of the Board. The appointed members of the Board will include no fewer than one attorney; no fewer than one ethicist; no fewer than one practicing physician; and no fewer than one theologian. No fewer than one-third, and no more than one-half of the appointed members will be scientists with substantial accomplishments in biomedical or behavioral research.

Interested individuals may self-nominate or be nominated by another individual or organization.

The following information may be included in the package of materials submitted for each individual being nominated for consideration: (1) A letter of nomination stating the name, affiliation, and contact information for the nominee, the basis for the nomination (i.e., the specific attributes, perspectives, and/or skills the individual possesses that would benefit the workings of the Ethics Board), and the nominee's field(s) of expertise; (2) a biographical sketch of the nominee; (3) the name, address, daytime telephone number, and email address at which the nominator can be contacted; (4) a current copy of the nominee's curriculum vitae; and (5) the category of Board member the nominee would fill (i.e., attorney, ethicist, practicing physician, theologian, or scientist with substantial accomplishments in biomedical or behavioral research).

Nomination packages may be submitted directly by the individual being nominated or by the person/organization recommending the candidate.

Dated: February 12, 2020.

Alex M. Azar II,

Secretary.
