Abstract: The purpose of the Credit Enhancement program is to award grants to eligible entities that demonstrate innovative methods of helping charter schools address the cost of acquiring, constructing, and renovating facilities by enhancing the availability of loans and bond financing. This program provides grants to eligible entities to permit them to enhance the credit of charter schools so that the charter schools can access private-sector and other non-Federal capital in order to acquire, construct, and renovate facilities at a reasonable cost. The Credit Enhancement for Charter School Facilities Program and the Charter Schools Facilities Financing Demonstration Program have a statutory mandate for an annual report. This reporting is a requirement in order to obtain or retain benefits according to section 4304 of the Elementary and Secondary Education Act of 1965 as amended by the Every Student Succeeds Act (ESSA) of 2015. The information is collected in order to adhere to statutory requirements and to perform monitoring and evaluation of grantees.
