**SUPPLEMENTARY INFORMATION:**

**I. Background**

The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Act) (Public Law 114-74, Sec. 701), which further amended the Federal Civil Penalties Inflation Adjustment Act of 1990 (Public Law 101-410), requires agencies to make annual adjustments to civil monetary penalty (CMP) amounts for inflation “notwithstanding section 553

of title 5, United States Code.” Section 553 refers to the Administrative Procedure Act, which provides for advance notice and public comment on rules. However, as explained in Section III below, HUD has determined that advance notice and public comment on this final rule is unnecessary. This annual adjustment is for 2020.

The annual adjustment is based on the percent change between the U.S. Department of Labor’s Consumer Price Index for All Urban Consumers (“CPI-U”) for the month of October preceding the date of the adjustment, and the CPI-U for October of the prior year (28 U.S.C. 2461 note, section (5)(b)(1)). Based on that formula, the cost-of-living adjustment multiplier for 2019 is 1.01764.<sup>1</sup> Pursuant to the 2015 Act, adjustments are rounded to the nearest dollar.<sup>2</sup>

## **II. This Final Rule**

This rule makes the required 2020 inflation adjustment of civil penalty amounts. Since HUD is not applying these adjustments retroactively, the 2020 increases apply to violations occurring on or after this rule’s effective date. HUD provides a table showing how, for each component, the penalties are being adjusted for 2020 pursuant to the 2015 Act. In the first column (“Description”), HUD provides a description of the penalty. In the second column (“Statutory Citation”), HUD provides the United States Code statutory citation providing for the penalty. In the third column (“Regulatory Citation”), HUD provides the Code of Federal Regulations citation under title 24 for the penalty. In the fourth column (“Previous Amount”), HUD provides the amount of the penalty pursuant to the rule implementing the 2019 adjustment (84 FR 9451, March 15, 2019). In the fifth column (“2020 Adjusted Amount”), HUD lists the penalty after applying the 2020 inflation adjustment.

### III. Justification for Final Rulemaking for the 2020 Adjustments

HUD generally publishes regulations for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking in 24 CFR part 10. However, part 10 provides for exceptions to the general rule if the agency finds good cause to omit advanced notice and public participation. The good cause requirement is satisfied when prior public procedure is “impractical, unnecessary, or contrary to the public interest” (see 24 CFR 10.1). As discussed, this final rule makes the required 2020 inflation adjustment, which HUD does not have discretion to change. Moreover, the 2015 Act specifies that a delay in the effective date

under the Administrative Procedure Act is not required for annual adjustments under the 2015 Act. HUD has determined, therefore, that it is unnecessary to delay the effectiveness of the 2020 inflation adjustments to solicit public comments.

Section 7(o) of the Department of Housing and Urban Development Act (42 U.S.C. 3535(o)) requires that any HUD regulation implementing any provision of the Department of Housing and Urban Development Reform Act of 1989 that authorizes the imposition of a civil money penalty may not become effective until after the expiration of a public comment period of not less than 60 days. This rule does not authorize the imposition of a civil money penalty—rather, it makes a standard inflation adjustment to penalties that were previously authorized. As noted above, the 2020 inflation adjustments are made in accordance with a statutorily prescribed formula that does not provide for agency discretion. Accordingly, a delay in the effectiveness of the 2020 inflation adjustments in order to provide the public with an opportunity to comment is unnecessary because the 2015 Act exempts the adjustments from the need for delay, the rule does not authorize the imposition of a civil money penalty, and, in any event, HUD would not have the discretion to make changes as a result of any comments.

#### **IV. Findings and Certifications**

##### Regulatory Review—Executive Orders 12866 and 13563

Under Executive Order 12866 (Regulatory Planning and Review) (58 FR 51735), a determination must be made whether a regulatory action is significant and, therefore, subject to review by the Office of Management and Budget (OMB) in accordance with the requirements of the order. Executive Order 13563 (Improving Regulations and Regulatory Review) (76 FR 3821) directs executive agencies to analyze regulations that are “outmoded, ineffective, insufficient, or excessively burdensome, and to modify, streamline, expand, or repeal them in accordance with what has been learned.” Executive Order 13563 also directs that, where

relevant, feasible, and consistent with regulatory objectives, and to the extent permitted by law, agencies are to identify and consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public. Executive Order 13771 (Reducing Regulation and Controlling Regulatory Costs) (82 FR 9339) requires that for every new regulation issued, at least two prior regulations be identified for removal, and that the cost of planned regulations be prudently managed and controlled through a budgeting process. As discussed above in this preamble, this final rule adjusts existing civil monetary penalties for inflation by a statutorily required amount.

HUD determined that this rule was not significant under Executive Order 12866 and Executive Order 13563. Moreover, as this rule is not a significant regulatory action under Executive Order 12866, it is not considered an Executive Order 13771 regulatory action.

#### Regulatory Flexibility Act

The Regulatory Flexibility Act (RFA) (5 U.S.C. 601 et seq.) generally requires an agency to conduct a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements, unless the agency certifies that the rule will not have a significant economic impact on a substantial number of small entities. Because HUD has determined that good cause exists to issue this rule without prior public comment, this rule is not subject to the requirement to publish an initial or final regulatory flexibility analysis under the RFA as part of such action.

#### Unfunded Mandates Reform

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA)<sup>3</sup> requires that an agency prepare a budgetary impact statement before promulgating a rule that includes a Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year. If a budgetary

<sup>3</sup> 2 U.S.C. 1532.

impact statement is required, section 205 of UMRA also requires an agency to identify and consider a reasonable number of regulatory alternatives before promulgating a rule.<sup>4</sup> However, the UMRA applies only to rules for which an agency publishes a general notice of proposed rulemaking. As discussed above, HUD has determined, for good cause, that prior notice and public comment is not required on this rule and, therefore, the UMRA does not apply to this final rule.

#### Executive Order 13132, Federalism

Executive Order 13132 (entitled “Federalism”) (64 FR 43255) prohibits an agency from publishing any rule that has federalism implications if the rule either imposes substantial direct compliance costs on State and local governments and is not required by statute, or the rule preempts State law, unless the agency meets the consultation and funding requirements of section 6 of the Executive order. This rule will not have federalism implications and would not impose substantial direct compliance costs on State and local governments or preempt State law within the meaning of the Executive order.

#### Environmental Review

This final rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern, or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this final rule is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).
