Air Plan Approval; Nebraska; Lincoln-Lancaster County Health Department (LLCHD); Reopening of the Comment Period and Availability of Supplemental Information

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; reopening of the comment period and availability of supplemental information.

SUMMARY: The Environmental Protection Agency (EPA) is announcing a reopening of the comment period for the proposed rule "Air Plan Approval; Nebraska; Lincoln-Lancaster County Health Department (LLCHD)" to provide an additional 30 days for public comment. This additional opportunity to submit comments is provided due to two comments the EPA received including one noting that the State submission was not provided in the docket to allow the reviewer the ability to fully evaluate EPA's proposed action. As a result, we are providing the State's submission in the docket and reopening the public comment period to afford stakeholders an opportunity to comment on the proposed SIP revision.

DATES: The comment period for the proposed rule, published on January 3, 2020 (85 FR 274), is reopened. Written comments must be received on or before **[insert date 30 days after date of publication in the Federal Register]**.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R07-OAR-2019-0666, at <https://www.regulations.gov>. Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The written comment is considered the official comment and should include discussion of all points you wish to make.
