SUPPLEMENTARY INFORMATION:

I. Background

Section 4(j) of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws the Commission administers, and to the extent feasible, select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission shall conduct a public hearing and provide an opportunity for the submission of comments. The CPSC’s programs will align with the strategic goals outlined in the CPSC’s 2018-2022 Strategic Plan.

The CPSC’s fiscal year 2021 Budget Request is based on four agency priorities: (1) focusing the agency’s resources on the highest-priority consumer product safety risks; (2) continuing to support import surveillance by operating, maintaining, and developing the Risk Assessment Methodology (RAM) system to identify and stop noncompliant imported products from entering the U.S. marketplace; (3) emphasizing collaboration, outreach, and education by engaging all stakeholders through forums, advisory groups, seminars, webinars, technical

stakeholder-to-government discussions, and workshops; and (4) expanding the utility of the agency's data assets, data analysis tools, sources, and types of data analysis used to identify and assess hazards and inform solutions to address identified hazards. The Commission requests comments on the priorities as presented in the FY 2021 Budget Request. The CPSC's Budget Request for fiscal year 2021 can be found at: www.cpsc.gov/about-cpsc/agency-reports/performance-and-budget.

II. Oral Presentations and Submission of Written Comments

The Commission is preparing the agency's fiscal year 2021 Operating Plan and fiscal year 2022 Congressional Budget Request. Fiscal year 2021 begins on October 1, 2020, and fiscal year 2022 begins on October 1, 2021. Through this notice, the Commission invites the public to comment on the following questions:

1. What are the priorities the Commission should consider emphasizing and dedicating resources toward in the fiscal year 2021 Operating Plan and/or the fiscal year 2022 Congressional Budget Request?
2. What activities should the Commission consider deemphasizing in the fiscal year 2021 Operating Plan and/or the fiscal year 2022 Congressional Budget Request?
3. What retrospective review of rules should the Commission consider in the fiscal year 2021 Operating Plan and/or the fiscal year 2022 Congressional Budget Request?
4. Should the Commission consider making any changes or adjustments to the agency's proposed or ongoing safety standards activities, regulation, and enforcement efforts in fiscal years 2021 and 2022? Comments are welcome on whether particular action items

should be higher priority than others, should not be included, or should be added to the fiscal year 2021 and/or fiscal year 2022 agendas.

Persons who desire to make oral presentations at the hearing on April 15, 2020, should send an email, call, or write Alberta E. Mills, Division of the Secretariat, U.S. Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; email: *cpsc-os@cpsc.gov*; telephone: (301) 504-7479; facsimile (301) 504-0127, not later than 5 p.m. EDT on April 1, 2020. Requests to make oral presentations and texts of the presentation must be received not later than 5 p.m. EDT on April 1, 2020. Presentations should be limited to approximately 10 minutes. The Commission reserves the right to impose further time limitations on all presentations and other restrictions to avoid duplication of presentations.

If you do not want to make an oral presentation, but would like to provide written comments, you may do so. Please submit written comments in the manner described in the previous paragraph. Written comments must be received no later than 5 p.m. EDT on April 1, 2020.
