SUPPLEMENTARY INFORMATION: The Census Bureau is giving notice that it is postponing a meeting of the Census Scientific Advisory Committee (CSAC). The Committee addresses policy, research, and technical issues relating to a full range of Census Bureau programs and activities, including communications, decennial, demographic, economic, field operations, geographic, information technology, and statistics. Last minute changes to the schedule are possible, which could prevent giving advance public notice of schedule adjustments.

The Committee has been established in accordance with the Federal Advisory Committee Act (Title 5, United States Code, Appendix 2, Section 10).
