Abstract: The NCCC Team Leader application, which is available electronically for all applicants, provides information CNCS uses to select Team Leaders for AmeriCorps NCCC. NCCC engages approximately 2800 corps members each year in community service, and selects Team Leaders and Support Team Leaders to serve as project leaders and project developers and to provide on-site team supervision and reporting. There is at least one Team Leader for each team of approximately ten Corps Members. CNCS also seeks to continue using the currently-approved information collection until the revised

information collection is approved by OMB. The currently-approved information collection is due to expire on 11/30/2020.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Dated: March 20, 2020.

Gary Crosson,

Lead Selection & Placement Specialist.
