**SUPPLEMENTARY INFORMATION:** The Department of Labor's VETS administers funds for the Homeless Veterans' Reintegration Program grants to state, local, and tribal governments; businesses and other for-profit and not-for-profit organizations on an annual program year basis. These competitive grants are codified under 38 U.S.C. 2021, 2021A, and 2023. VETS provides funds to competitively-awarded grantees through annual Funding Opportunity Announcements and option year funding. The total number of grantees varies based on the amount of available funds, awarded in grants up to \$500,000 each. The Assistant Secretary for Veterans' Employment and Training monitors and supervises the distribution and use of those funds as required by 38 U.S.C. 2021 (b). Additionally, and in accordance with 38 U.S.C. 2021 (d), the Secretary reviews performance and provides a biennial report to Congress on the program, including an evaluation of the services furnished to veterans and an analysis of the information we have collected. VETS intends to request approval for this information collection that streamlines the annual funding request process for grantees, reports the use of grantee

funds in sufficient detail to allow interim adjustments that ensure all appropriated funding is expended properly, and provides data needed for VETS' biennial report to Congress. The forms and reports collect required programmatic and financial data from grantees. The continued use of standardized formats for collecting this information helps to ensure that requested data is provided in a uniform way, reporting burdens are minimized, the impact of collection requirements on respondents are properly assessed, collection instruments are clearly understood by respondents, and the information is easily consolidated for posting in accordance with statutory requirements. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on September 19, 2019 (84 FR 49344).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks reinstatement and PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
