SUPPLEMENTARY INFORMATION:

Agenda

The Scallop Advisory Panel plan to develop research recommendations for the 2021/22 Scallop Research Set-Aside (RSA) federal funding announcement.

The panel will discuss the impacts of COVID-19: timing and outlook for 2020 surveys and 2021/22 specifications process. They will also receive an update from NMFS on status of Council's emergency action request. Other business may be discussed, as necessary. Brief review of NROC/MARCO/RODA fishery dependent data project and request for feedback.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies,

Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Consistent with 16 USC 1852, a copy of the recording is available upon request.
