SUPPLEMENTARY INFORMATION:

Agenda

The Advisory Panel will Discuss preliminary Plan Development Team (PDT) analyses and potential range of alternatives to consider in Framework 8, an action considering herring fishery specifications for FY 2021-23 and adjustment of measures in the Herring Fishery Management Plan that potentially inhibit the mackerel fishery from achieving optimum yield. They will also discuss preliminary PDT analyses and potential range of alternatives to consider in Framework 7, an action to protect spawning of Atlantic herring on Georges Bank. Other business may be discussed if time permits, including: (1) brief review of NROC/MARCO/RODA fishery dependent data project and request for feedback (Dr. Fiona Hogan); (2) introduction of the Executive Order on Promoting Seafood Competitiveness and Economic Growth.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
