## B. Submitting Comments

Please include Docket ID NRC-2019-0246 in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <https://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Comprehensive Decommissioning Program Annual Site List and Point of Contact.
2. *OMB approval number:* 3150-0206.
3. *Type of submission:* Revision.
4. *The form number, if applicable:* N/A.

5. *How often the collection is required or requested: Annually.*
6. *Who will be required or asked to respond: All Agreement States that have signed Section 274(b) Agreements with the NRC.*
7. *The estimated number of annual responses: 39 (14 responses from Agreement States with sites undergoing decommissioning + 25 responses from Agreement States with no sites undergoing decommissioning).*
8. *The estimated number of annual respondents: 39 (14 Agreement States with sites undergoing decommissioning + 25 Agreement States with no sites undergoing decommissioning).*
9. *The estimated number of hours needed annually to comply with the information collection requirement or request: 40.5 (28 hours for Agreement States with sites undergoing decommissioning + 12.5 hours for Agreement States with no sites undergoing decommissioning).*
10. *Abstract: The Agreement States will be asked to provide a list of uranium recovery and complex sites undergoing decommissioning regulated by their States on an annual basis. The Agreement States will also be asked to provide a point of contact who is cognizant of site status. The information request will allow the NRC to compile, in a centralized location, updated contact information and a list of sites decommissioning in the United States to provide a national perspective on decommissioning. The information will be made available to the public by the NRC in order to ensure openness and promote communication to enhance public knowledge of the national decommissioning program.*

### III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: June 16, 2020.

For the Nuclear Regulatory Commission.

**David C. Cullison,**  
*NRC Clearance Officer,*  
*Office of the Chief Information Officer.*
