**National Priorities List: Deletion of the Scrap Processing  
Co., Inc. Superfund Site**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule; notification of intent.

**SUMMARY:** The Environmental Protection Agency (EPA) Region 5 is issuing a Notification of Intent to Delete the Scrap Processing Co., Inc. Superfund Site (Scrap Processing Site or Site) located in Medford, Wisconsin, from the National Priorities List (NPL) and requests public comments on this proposed action. The NPL, promulgated pursuant to Section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). The EPA and the State of Wisconsin, through the Wisconsin Department of Natural Resources (WDNR), have determined that all appropriate response actions under CERCLA, other than operation and maintenance, monitoring institutional

controls, and five-year reviews, have been completed at the Scrap Processing Site. However, this deletion does not preclude future actions under Superfund.

**DATES:** Comments must be received by **INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER.**

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-HQ-SFUND-2005-0011, by one of the following methods:

- *https://www.regulations.gov* (our preferred method). Follow the instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional

submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

- Email: [Deletions@usepa.onmicrosoft.com](mailto:Deletions@usepa.onmicrosoft.com).

Written comments submitted by mail are temporarily suspended and no hand deliveries will be accepted. We encourage the public to submit comments via email or at <https://www.regulations.gov>.

*Instructions:* Direct your comments to Docket ID No. EPA-HQ-SFUND-2005-0011. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <https://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <https://www.regulations.gov> or email. The <https://www.regulations.gov> website is an "anonymous access" system, which means EPA will not know your identity

or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through <https://www.regulations.gov>, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

*Docket:* All documents in the docket are listed in the <https://www.regulations.gov> index, Docket ID No. EPA-HQ-SFUND-2005-0011. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available electronically at <https://www.regulations.gov>, Docket ID No. EPA-HQ-SFUND-2005-0011 and at <https://www.epa.gov/superfund/scrap>

*processing* or you may contact the person in the **FOR FURTHER INFORMATION CONTACT** section for additional availability information.

The EPA is temporarily suspending its Docket Center and Regional Records Centers for public visitors to reduce the risk of transmitting COVID-19. In addition, many site information repositories are closed and information in these repositories, including the deletion docket, has not been updated with hardcopy or electronic media. For further information and updates on EPA Docket Center services, please visit us online at <https://www.epa.gov/dockets>.

The EPA continues to carefully and continuously monitor information from the Centers for Disease Control and Prevention (CDC), local area health departments, and our Federal partners so that we can respond rapidly as conditions change regarding COVID-19.

**FOR FURTHER INFORMATION CONTACT:** Karen Cibulskis, NPL Deletion Coordinator, U.S. Environmental Protection Agency Region 5, at (312) 886-1843 or via email at [cibulskis.karen@epa.gov](mailto:cibulskis.karen@epa.gov).

**SUPPLEMENTARY INFORMATION:** In the "Rules and Regulations" Section of this issue of the **Federal Register**, we are publishing a direct final Notification of Deletion of the

Scrap Processing Site without prior Notification of Intent to Delete because EPA views this as a noncontroversial revision and anticipates no adverse comment(s). We have explained our reasons for this deletion in the preamble to the direct final Notification of Deletion, and those reasons are incorporated herein. If we receive no adverse comment(s) on this deletion action, we will not take further action on this Notification of Intent to Delete. If we receive adverse comment(s), we will withdraw the direct final Notification of Deletion, and it will not take effect. We will, as appropriate, address all public comments in a subsequent final Notification of Deletion based on this Notification of Intent to Delete. We will not institute a second comment period on this Notification of Intent to Delete. Any parties interested in commenting must do so at this time.

For additional information, see the direct final Notification of Deletion which is located in the *Rules* section of this issue of the **Federal Register**.
