SUPPLEMENTARY INFORMATION

Pathways for the Future of Transportation clarifies the purposes of the NETT Council and its methods of operation; lays the principles informing the Department policies in transformative technologies; provides a high-level overview of the regulatory framework for non-traditional and emerging technologies; proposes how innovators and entrepreneurs can engage the NETT Council to enhance the Nation's transportation system; and provides the next steps of the NETT Council. The pathways document is available at www.transportation.gov/nettcouncil.

The USDOT views the pathways document as laying the groundwork for emerging transportation technologies. To ensure that future work and next iterations are helpful and directly address the concerns of stakeholders, the USDOT is seeking public comments on the document and the next steps for the NETT Council. The Department plans to use any significant comments to inform the future work and direction of the Council.
