SUPPLEMENTARY INFORMATION:

I. Background

China became a Member of the WTO on December 11, 2001. In accordance with section 421 of the U.S.-China Relations Act of 2000 (Pub. L. 106-286), USTR is required to submit by December 11 of each year, a report to Congress on China's compliance with commitments made in connection with its accession to the WTO, including multilateral commitments and any bilateral commitments made to the United States. In accordance with section 421, and to assist it in preparing this year's report, the TPSC is soliciting public comments. You can find last year's report on USTR's website at https://ustr.gov/sites/default/files/2019_Report_on_China%E2%80%99s_WTO_Compliance.pdf.

The terms of China's accession to the WTO are contained in the Protocol on the Accession of the People's Republic of China (including its annexes) (Protocol), the Report of the Working Party on the Accession of China (Working Party Report), and the WTO agreements. You can find the Protocol and Working Party Report on the WTO

website at <http://docsonline.wto.org> (document symbols: WT/L/432, WT/MIN(01)/3, WT/MIN(01)/3/Add.1, WT/MIN(01)/3/Add.2).

II. Topics on Which the TPSC Seeks Information

The TPSC invites written comments on China's compliance with commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:

- A. Trading rights.
- B. Import regulation (*e.g.*, tariffs, tariff-rate quotas, quotas, import licenses).
- C. Export regulation.
- D. Internal policies affecting trade (*e.g.*, subsidies, standards and technical regulations, sanitary and phytosanitary measures, government procurement, trade-related investment measures, taxes and charges levied on imports and exports).
- E. Intellectual property rights (including intellectual property rights enforcement).
- F. Services.
- G. Rule of law issues (*e.g.*, transparency, judicial review, uniform administration of laws and regulations) and status of legal reform.
- H. Other WTO commitments.

In addition, given the United States' view that China should be held accountable as a full participant in, and beneficiary of, the international trading system, USTR requests that interested persons specifically identify unresolved compliance issues that warrant review and evaluation by USTR's China Enforcement Task Force.

III. Public Participation

Due to COVID-19, the TPSC will foster public participation via written submissions rather than an in-person hearing on China's compliance with the commitments made in connection with its accession to the WTO. In accordance with the schedule set out in the Dates section above, USTR invites written comments from the public. The TPSC will review the comments and may pose written clarifying questions to the commenters. The TPSC will post the questions on the public docket, other than questions that include properly designated business confidential information (BCI). USTR will send questions that include properly designated BCI to the relevant commenters by email and will not post these questions on the public docket. Written responses to questions that contain BCI must follow the procedures in section IV below.
