### **Difenacoum; Product Cancellation Order for Certain Pesticide Registrations**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** This notice announces EPA's order for the cancellations to terminate uses, voluntarily requested by the registrant and accepted by the Agency, of the products listed in Table 1 and Table 2 of Unit II, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a June 14, 2018 *Federal Register* Notice of Receipt of Requests from the registrant listed in Table 3 of Unit II to voluntarily cancel these product registrations. In the June 14, 2018 notice, EPA indicated that it would issue an order implementing the cancellations and amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrant withdrew their requests. The Agency received no comments on the notice. Further, the registrant did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

**DATES:** The cancellations are effective **[INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.
