DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 200221-0062; RTID 0648-XA344]

Fisheries of the Exclusive Economic Zone off Alaska; Pacific Cod in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting retention of Pacific cod by catcherprocessors using trawl gear in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary because the 2020 total allowable catch of Pacific cod allocated to catcherprocessors using trawl gear in the Central Regulatory Area of the GOA has been reached.

DATES: Effective 1200 hours, Alaska local time (A.l.t.), October 1, 2020, through 2400 hours, A.l.t., December 31, 2020.

FOR FURTHER INFORMATION CONTACT: Obren Davis, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation
and Management Act. Regulations governing fishing by U.S. vessels in accordance with
the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2020 total allowable catch (TAC) of Pacific cod allocated to
catcher/processors using trawl gear in the Central Regulatory Area of the GOA is 158
metric tons (mt) as established by the final 2020 and 2021 harvest specifications for
groundfish of the GOA (85 FR 13802, March 10, 2020).

In accordance with § 679.20(d)(2), the Administrator, Alaska Region, NMFS
(Regional Administrator), has determined that the 2020 TAC of Pacific cod allocated to
catcher/processors using trawl gear in the Central Regulatory Area of the GOA has been
reached. Therefore, NMFS is requiring that Pacific cod caught by catcher/processors
using trawl gear in the Central Regulatory Area of the GOA be treated as prohibited
species in accordance with § 679.21(a)(2).

Classification

NMFS issues this action pursuant to section 305(d) of the Magnuson-Stevens Act.
This action is required by 50 CFR part 679, which was issued pursuant to section 304(b),
and is exempt from review under Executive Order 12866.

Pursuant to 5 U.S.C. 553(b)(B), there is good cause to waive prior notice and an
opportunity for public comment on this action, as notice and comment would be
impracticable and contrary to the public interest, as it would prevent NMFS from
responding to the most recent fisheries data in a timely fashion and would delay
prohibiting the retention of Pacific cod by catcher/processors using trawl gear in the
Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing
time for public comment because the most recent, relevant data only became available as of September 29, 2020.

**Authority:** 16 U.S.C. 1801 *et seq.*
