AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a notice that published in the *Federal Register* of September 21, 2020. The document announced the withdrawal of a final guidance for industry entitled “Investigational COVID-19 Convalescent Plasma,” which was issued in April 2020 and updated in May 2020. FDA withdrew the guidance because the Agency issued a new guidance for industry of the same title. The document was published with the incorrect docket number for the guidance for industry that was withdrawn. This document corrects that error.
