PETITION FOR EXEMPTION

Docket No.: FAA-2020-0802

Petitioner: Daniel Bauer

Section(s) of 14 CFR Affected: § 61.39(a)(1)(i)

Description of Relief Sought: The petitioner is seeking a three month extension of the relief provided by the COVID-19 Special Federal Aviation Regulations (SFAR) as it relates to the Pilot Knowledge Test qualification requirement. This grant of exemption would permit the petitioner to use his knowledge test results for up to six calendar months after the date of expiration to otherwise qualify for a practical test as specified in § 61.39. The current SFAR only provides relief for up to three calendar months. The petitioner contends there are continuing difficulties obtaining aircraft maintenance, instruction and examinations due to COVID-19 related health and social distancing concerns.
