**Seamless Acceptance Incentive**

Currently, mailers who present qualifying full-service mailings receive an incentive discount of $.003 per piece for USPS Marketing Mail and First-Class Mail and $0.001 for Bound Printed Matter flats and Periodicals.

The Postal Service is proposing an incentive discount for mailers who mail through the Seamless Acceptance program, in addition to the full-service incentive discount.

Beginning on the day of their first mailing, following onboarding to the program the mailer or mail service provider, as applicable, will receive an incentive discount in addition to the full-service incentive discount. The mailer would be allowed to combine the Seamless and full-service incentive discounts. The Seamless incentive discount would be based on a mailer’s customer registration ID (CRID). A Seamless mailer is defined by their status in
PostalOne!. Moving to Seamless is defined as the status changing from “None” or “Seamless Parallel” to “Seamless Acceptance”.

The proposal would leave the full-service discount exactly as it is now and provide a $.001 per piece incentive discount for Seamless. The maximum incentive discount per piece is $0.004 for USPS Marketing Mail and First-Class Mail and $0.002 for Bound Printed Matter flats and Periodicals.
