SUPPLEMENTARY INFORMATION:

Background

On July 29, 2019, in accordance with 19 CFR 351.221(c)(i), Commerce initiated an administrative review of the Order, covering 16 producers/exporters. As a result of the partial rescission and partial discontinuation of this review, discussed further below, the sole remaining producer/exporter under review is Tube Products of India, Ltd., a unit of Tube Investments of India Limited (collectively, TII). For details regarding the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), Commerce determined that it was not practicable to complete the preliminary results of this review within 245 days and extended the deadline for the preliminary results of this review by 117 days, until June 26, 2020. On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days. On July 21, 2020, Commerce tolled deadlines for all preliminary and final results in administrative reviews by an additional 60 days. The deadline for the preliminary results of this review is now October 14, 2020.

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If TII’s weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If TII’s weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without
regard to antidumping duties. The final results of this review shall be the basis for the
assessment of antidumping duties on entries of merchandise covered by the final results of this
review and for future deposits of estimated duties, where applicable.\textsuperscript{19}

For entries of subject merchandise during the POR produced by TII for which it did not
know that the merchandise was destined for the United States, we will instruct CBP to
liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies)
involved in the transaction.\textsuperscript{20} We intend to issue liquidation instructions covering TII’s entries
to CBP 15 days after publication of the final results of this review.

For the companies for which this review is rescinded, antidumping duties shall be
assessed at rates equal to the cash deposit of estimated antidumping duties required at the time
of entry, or withdrawal from warehouse for consumption, in accordance with 19 CFR
351.212(c)(l)(i). Commerce intends to issue appropriate assessment instructions to CBP 15
days after publication of this notice.

For Goodluck, as noted in the \textit{Timken Notice}, the suspension of liquidation of Goodluck’s
entries must continue during the pendency of the appeal process.\textsuperscript{21} The Court of International
Trade’s ruling has been appealed. If the ruling is upheld by the Court of Appeals for the Federal
Circuit, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate
entries produced and exported by Goodluck without regard to antidumping duties.

\textbf{Cash Deposit Requirements}

\textsuperscript{19} \textit{See} section 751(a)(2)(C) of the Act.

\textsuperscript{21} \textit{Id.}
The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for TII in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 5.87 percent, the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Final Results of Review**

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the Federal Register, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
