Abstract: The Department of Veterans Affairs (VA) Loan Guaranty program guarantees loans made by private lenders to Veterans for the purchase, construction, and refinancing of homes owned and occupied by Veterans. Under 38 CFR 36.4333, VA requires holders to maintain and lenders to retain all records pertaining to loans guaranteed by VA. Under this same authority, VA has a right to inspect, examine, or audit, at a reasonable time and place, such records to ensure program participants are in compliance with applicable laws, regulations, policies, procedures and contract provisions. VA utilizes the data collected through loan audits to require corrective actions by lenders and holders who failed to adhere to VA regulations and statutes. It also uses the data collected through this authority to provide annual feedback to lenders, through the Lender Scorecard, on certain loan characteristics such as interest rate, fees and charges, audit results, etc., as compared to the national average of all VA lenders.
