filed a timely request for review with respect to Goodluck India Limited (Goodluck) and Tube Products of India, Ltd., a unit of Tube Investments of India Limited (collectively, TPI).3 Goodluck and Pennar Industries Limited (Pennar) timely requested reviews of themselves.4 Based on these requests, on August 6, 2020, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce published in the Federal Register a notice of initiation of an administrative review of the antidumping duty order on cold-drawn mechanical tubing from India covering the period June 1, 2019, through May 31, 2020.5

On October 7, 2020, Pennar withdrew its request for administrative review of itself.6 No other interested parties requested an administrative review with respect to Pennar.

Partial Rescission of Review

Because Pennar’s request for administrative review of itself was withdrawn within 90 days of the date of publication of the Initiation Notice, and no other interested party requested a review of this company, Commerce is rescinding this review with respect to Pennar, in accordance with 19 CFR 351.213(d)(1). The administrative review remains active with respect to the two remaining companies for which a review was initiated, i.e., Goodluck7 and TPI.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of cold-drawn mechanical tubing from India at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period June 1, 2019, through May 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the Federal Register.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested.
