SUPPLEMENTARY INFORMATION:

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act, which provides for continuation of pay or compensation for work related injuries or disease that result from Federal employment. Under 5 U.S.C. 8149, the Secretary of Labor may prescribe rules and regulations necessary for the administration and enforcement of this subchapter. Regulation 20 CFR 10.104 designates form CA-2a as the form to be used to request information from claimants with previously-accepted injuries, who claim a recurrence of disability, and from their supervisors. The form requests information relating to the specific circumstances leading up to the recurrence as well as information about their employment and earnings. The information provided is used by OWCP claims examiners to determine whether a claimant has sustained a recurrence of disability related to an accepted injury and, if so, the appropriate benefits payable. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on June 12, 2020 (85 FR 35955).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and

displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
