PURPOSE(S) OF THE SYSTEM: To enable SMART officials to select qualified applicants, to award SMART scholarships, and monitor participant progress and status through the program. Also, the system is used as a management tool for statistical analysis, tracking, reporting, evaluating program effectiveness, and conducting research.
CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM: Applicants and participants of the SMART Scholarship for Service Program.

CATEGORIES OF RECORDS IN THE SYSTEM: Information includes full name and any other names used, Social Security Number (SSN), home and school mailing addresses, home and cell phone numbers, school and alternate e-mail addresses. Additional information collected may include SMART Program identification number, resumes and/or curricula vitae, publications, citizenship status, Selective Service registration status, birth date, employment status, state and country of birth, race/ethnicity, gender, security clearance status, veterans preference, academic status, assessment test scores, copies of transcripts, bank account numbers, Individualized Education Program (IEP) or special accommodation testing requirements, projected and actual graduation dates, and projected and actual award amounts.

RECORD SOURCE CATEGORIES: The SMART Program manages individual source records using the SMART Information Management System (SIMS). The SIMS collects the following information and forms to confirm scholar compliance: applicant transcripts, educational work plan and declaration of Federal Employment (OF-306). In addition, the SIMS uses a form (application) to collect eligibility information. The applicants report citizenship status, if they are 18 years of age, their proposed degree completion date, their proposed STEM discipline, and whether they are willing to complete an internship period and an employment period. The SIMS tracks individual compliance and non-compliance using a data table and trackers.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:
In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act of 1974, as amended, the records contained herein may specifically be disclosed outside the DoD as a routine use pursuant to § 552a(b)(3) as follows:

f. In an appropriate proceeding before a court, grand jury, or administrative or adjudicative body or official, when the DoD or other Agency representing the DoD determines the records are relevant and necessary to the proceeding; or in an appropriate proceeding before an
administrative or adjudicative body when the adjudicator determines the records to be relevant to
the proceeding.

inspections conducted under the authority of 44 U.S.C. §§ 2904 and 2906.

h. To a Member of Congress or staff acting upon the Member’s behalf when the Member or
staff requests the information on behalf of, and at the request of, the individual who is the subject
of the record.

i. To appropriate agencies, entities, and persons when (1) the DoD suspects or confirms a breach
of the system of records; (2) the DoD determines as a result of the suspected or confirmed breach
there is a risk of harm to individuals, the DoD (including its information systems, programs, and
operations), the Federal Government, or national security; and (3) the disclosure made to such
agencies, entities, and persons is reasonably necessary to assist in connection with the DoD’s
efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such
harm.

j. To another Federal agency or Federal entity, when the DoD determines information from this
system of records is reasonably necessary to assist the recipient agency or entity in (1)
responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the
risk of harm to individuals, the recipient agency or entity (including its information systems,
