SUPPLEMENTARY INFORMATION:

Correction

In FR Doc. 2020-18795 appearing on page 53234 in the **Federal Register** on Friday, August 28, 2020, the following corrections are made:

1. On page 53234, in the first column, the Compliance date is corrected to read:

Compliance date: Compliance will not be required for § 9.10(i)(2)(ii)(J)(4), (i)(4)(iv) and (v), (j)(4), and (k) until the Commission publishes a document in the **Federal Register** announcing the compliance date.

2. On page 53245, in the first column, paragraph 74 is corrected to read:

74. *Paperwork Reduction Act Analysis.* The requirements in sections 9.10(i)(2)(ii)(J)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k), constitute modified information collections. They will be submitted to the Office of Management and Budget (OMB) for review under section 3507(d) of the Paperwork Reduction Act of 1995 (PRA). OMB, the general public, and other Federal agencies will be invited to comment on the new or modified information collection requirements contained in this proceeding. This document will be submitted to OMB for review under section 3507(d) of the PRA. In addition, we note that, pursuant to the Small Business Paperwork Relief Act of 2002, we previously sought, but did not receive, specific comment on how the Commission might further reduce the information collection burden for small business concerns with fewer than 25 employees. The Commission does not believe that the new or modified information collection requirements in sections 9.10(i)(2)(ii)(J)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k), will be unduly burdensome on small businesses. Applying these new or modified information collections will promote 911 service and emergency response to the benefit of all sizes of governmental jurisdictions, businesses, equipment manufacturers, and business associations by providing greater confidence in 911 location accuracy and greater consistency between the Commission's horizontal and vertical location rules. We describe impacts that might affect small businesses, a category that includes most businesses with fewer than 25 employees, in the FRFA in Appendix B of the *Sixth Report and Order and Order on Reconsideration*.

3. On page 53245, in the second column, paragraph 77 is corrected to read:

77. It is further ordered that the amendments of the Commission's rules as set forth in Appendix A *are adopted*, effective thirty days from the date of publication in the **Federal Register**. Sections 9.10(i)(2)(ii)(J)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k) contain new or modified information collection requirements that require OMB review under the PRA. The Commission directs the Public Safety and Homeland Security Bureau (Bureau) to announce the effective date of those information collections in a document published in the **Federal Register** after the Commission receives OMB approval, and directs the Bureau to cause section 9.10(s) to be revised accordingly.
