SUPPLEMENTARY INFORMATION:

A. Purpose

This information requirement consists of reports that do not impose collection burdens upon the public. These collections require information which is already available to the public at large, or that is routinely exchanged by firms during the normal course of business. A general control number for these collections decreases the amount of paperwork generated by the approval process.

Under clause 552.238-73, "Identification of Electronic Office Equipment Providing Accessibility for the Handicapped," (previous clause number 552.238-70) the offeror is encouraged to identify office equipment, including any special peripheral that will facilitate electronic office equipment accessibility for handicapped individuals in its commercial catalogs and pricelists accepted by the Government.

B. Annual Reporting Burden

None.

C. Public Comments

A 60-day notice published in the *Federal Register* at 85 FR 53003 on August 27, 2020. No comments were received.
