Supplemental Notice of Technical Conference

By order dated August 27, 2020,¹ the Commission directed Commission staff to convene a technical conference regarding issues raised in these dockets about the extent of overlapping congestion charges assessed on pseudo-tie transactions at the Midcontinent Independent System Operator, Inc. (MISO)/Southwest Power Pool, Inc. (SPP) interface and possible measures that could be taken to eliminate any such overlapping charges. As announced in the Notice of Technical Conference issued on October 1, 2020, Commission staff will hold this technical conference remotely, as further described below, on Tuesday, November 10, 2020, beginning at 9:00 a.m. (Eastern Time). Commissioners may participate in the technical conference.

The conference will include discussions between Commission staff and panelists representing MISO, SPP, American Electric Power Service Corporation, and the City of Prescott, Arkansas. These panelists should be prepared to discuss the record in this

proceeding, particularly the questions posed in the August 2020 Further Briefing Order and the briefs responding thereto. If time permits, there may be an opportunity for other attendees to the technical conference to submit questions for discussion among the parties during the technical conference. Following the technical conference, parties to these proceedings may submit written post-technical conference comments on or before December 8, 2020, which will be included in the formal record of the proceeding.

The technical conference is open to the public by using the WebEx platform for those who have registered pursuant to the requirements of the October 1, 2020 Notice in these dockets. The agenda and information about the technical conference is posted on the Events Calendar available at the following link: <https://www.ferc.gov/news-events/events>. The agenda is also attached to this Notice. Procedures to be followed at the technical conference and any changes to the proposed agenda will be announced by staff at the opening of the technical conference. The technical conference will be transcribed.
