SUPPLEMENTARY INFORMATION:

Background

On January 17, 2020, Commerce published the notice of initiation of an administrative review of the CVD order on forged steel fittings from China. On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for the preliminary results of this review until July 21, 2020. On July 21, 2020, Commerce again tolled

---

all deadlines in administrative reviews by 60 days. Accordingly, the deadline for the preliminary results in this administrative review was postponed to November 19, 2020.

For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by the order is forged steel fittings. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying our preliminary conclusions, see the accompanying Preliminary Decision Memorandum.

5 See Memorandum, “Decision Memorandum for the Preliminary Results: Administrative Review of the Countervailing Duty Order on Forged Steel Fittings from the People’s Republic of China; 2018,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

6 See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
As explained in the Preliminary Decision Memorandum, Commerce relied on adverse facts available because the Government of China did not act to the best of its ability in responding to Commerce’s requests for information, and consequently, we have drawn an adverse inference, where appropriate, in selecting from among the facts otherwise available.\(^7\)

For further information, see “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

Rate for Non-Selected Companies Under Review

There are 35 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these companies, because the rate calculated for Both-Well was above *de minimis* and not based entirely on facts available, we applied Both-Well’s subsidy rate to the non-selected companies. This methodology to establish the subsidy rate for non-selected companies is consistent with our practice and with section 705(c)(5)(A) of the Act, which governs the determination of an “all-others” rate in an investigation and which we rely on for guidance here. For a list of the non-selected companies, see Appendix II to this notice.

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for Both-Well, the sole mandatory respondent in this review. We preliminarily determine that the following subsidy rate exists for Both-Well and the non-selected companies under review:

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess,
countervailing duties on all appropriate entries covered by this review. We intend to issue
instructions directly to CBP 15 days after publication of the final results of this review.

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect
cash deposits of estimated countervailing duties in the amount indicated for Both-Well with
regard to shipments of subject merchandise entered, or withdrawn from warehouse, for
consumption on or after the date of publication of the final results of this review. For all non-
reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated
countervailing duties at the most recent company-specific or all-others rate applicable to the
