The purpose of the Board is to review annually the programs of the National Fire Academy (Academy) and advise the Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, on the operation of the Academy and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines Academy programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the Academy to determine the adequacy of the Academy's facilities, and examines the funding levels for Academy programs. The Board submits a written annual report through the United States Fire Administrator to the Administrator of FEMA. The report provides detailed comments and recommendations regarding the operation of the Academy.

### *Agenda*

On Thursday, December 3, 2020, there will be four sessions, with deliberations and voting at the end of each session as necessary:

1. The Board will discuss USFA Data, Research, Prevention, and Response.
2. The Board will discuss deferred maintenance and capital improvements on the National Emergency Training Center campus and Fiscal Year 2021 Budget Request/Budget Planning.
3. The Board will deliberate and vote on recommendations on Academy program activities to include developments, deliveries, staffing, and admissions.
4. There will also be an update on the Board of Visitors Subcommittee Groups for the Professional Development Initiative Update and the National Fire Incident Report System.

There will be a 10-minute comment period after each agenda item and each speaker will be given no more than two minutes to speak. Please note that the public comment period may end before the time indicated following the last call for comments. Contact Deborah
