II. Contractor Requirements

EPA requires technical and program support for the Agency's Endocrine Disruptor Screening Program (EDSP). This procurement entails services in the following areas: 1) comprehensive toxicological and ecotoxicological testing and analysis; 2) toxicokinetics and dosimetry testing and analysis; 3) systematic literature reviews; 4) workshops/meeting support; 5) information/records management support; and 6) special studies/projects. Skills needed include, but are not limited to, technical experience and/or capability with performing Tier 1 and Tier 2 EDSP studies, *in vitro* toxicokinetics and dosimetry, risk assessment, development and evaluation of computational toxicity or exposure models, analytical chemical analysis, biochemical analyses, statistical analyses, information/records management, report-writing, meeting support and quality assurance/quality control support.

OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent

regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under FIFRA sections 3, 4, 6, and 7 and under FFDCAs sections 408 and 409.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with Research Triangle Institute, prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Research Triangle Institute is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Research Triangle Institute until the requirements in this document have been fully satisfied. Records of information provided to Research Triangle Institute will be maintained by EPA Project Officers for these contracts. All information supplied to Research Triangle Institute by EPA for use in connection with these contracts will be returned to EPA when Research Triangle Institute has completed its work.
