Abstract: The Office of School Support and Accountability (SSA) administers Title I, Sections 1001-1004 (School Improvement); Title I, Part A (Improving Basic Programs Operated by Local Educational Agencies); Title I, Part B (Enhanced Assessments Grants (EAG), and Grants for State Assessments and Related Activities); Title II, Part A (Supporting Effective Instruction); Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement); and School Improvement Grants (SIG). Quarterly progress checks, phone or in-person conversations every three months of a fiscal year with State directors and coordinators, help ensure that State Educational Agencies (SEAs) are making progress toward increasing student achievement and

improving the quality of instruction for all students through regular conversations about the quality of SEA implementation of SSA administered programs. The information shared with the SSA helps inform the selection and delivery of technical assistance to SEAs and aligns structures, processes, and routines so the SSA can regularly monitor the connection between grant administration and intended outcomes. Progress checks also allow the SSA to proactively engage with SEAs to identify any issues ahead of formal monitoring visits, decreasing the need for enforcement actions and minimizing burden for SEAs. ED will collect this data from the 53 grantees that receive the grants listed above to inform its review of grantee implementation, outcomes, oversight, and accountability. In order to allow for a comprehensive program review of SSA grantees, we are requesting a three-year clearance with this form.
