SUPPLEMENTARY INFORMATION:

Background

Commerce published the Order on wooden cabinets and vanities on April 21, 2020.¹ On October 30, 2020, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c), Commerce received a timely NSR request from Dalin Hualing Wood Co., Ltd. (Hualing).²

In its submission, Hualing certified that it is the exporter of the subject merchandise subject to this NSR request.\textsuperscript{3} Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(ii)(A), Hualing certified that it did not export wooden cabinets and vanities to the United States during the period of investigation (POI).\textsuperscript{4} Additionally, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Hualing certified that, since the initiation of the investigation, it has not been affiliated with any producer or exporter that exported wooden cabinets and vanities to the United States during the POI, including those not individually examined during the investigation.\textsuperscript{5} As required by 19 CFR 351.214(b)(2)(iii)(B), Hualing also certified that its export activities are not controlled by the central government of China.\textsuperscript{6} Further, Hualing stated that it has not made subsequent shipments of subject merchandise during the POR.\textsuperscript{7}

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Hualing submitted documentation establishing the following: (1) the date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.\textsuperscript{8}

Commerce conducted a query of U.S. Customs and Border Protection (CBP) data and confirmed that Hualing’s subject merchandise entered the United States for consumption and that liquidation of such entries had been properly suspended for antidumping duties. The CBP data that Commerce examined are consistent with information provided by Hualing in its NSR request. In particular, the CBP data confirm the price and quantity reported by Hualing for the sale that forms the basis of its NSR request.\textsuperscript{9}

Period of Review

In accordance with 19 CFR 351.214(g)(1)(i)(B), the POR for an NSR initiated in the month immediately following the semiannual anniversary month will be the six-month period immediately preceding the semiannual anniversary month. Therefore, the POR for this NSR is April 1, 2020, through September 30, 2020.

Initiation of NSR

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b), and based on the information on the record, we find that Hualing’s NSR request meets the threshold requirements for initiation of an NSR of its shipment(s) of wooden cabinets and vanities to the United States.\textsuperscript{10} However, if the information supplied by Hualing is later found to be incorrect or insufficient during the course of this NSR, Commerce may rescind the review or apply adverse facts available, pursuant to section 776 of the Act, as appropriate. Pursuant to 19 CFR 351.221(c)(1)(i), Commerce will publish the notice of initiation of an NSR no later than the last day of the month following the anniversary or semiannual anniversary month of the order. Commerce intends to issue the preliminary results of this review no later than 180 days from the date of initiation, and the final results of this review no later than 90 days after the date the preliminary results are issued.\textsuperscript{11}

It is Commerce’s practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate (\textit{i.e.}, separate rate) provide evidence of \textit{de jure} and \textit{de facto} absence of government control over the company's export activities.\textsuperscript{12} Accordingly, Commerce will issue questionnaires to Hualing requesting, \textit{inter alia}, information regarding its export activities for the purpose of determining whether it is eligible for a separate rate. The review of the exporter will proceed if

\textsuperscript{10} See generally NSR Request.
\textsuperscript{11} See section 751(a)(2)(B)(iii) of the Act.
the response provides sufficient indication that the exporter is not subject to either *de jure* or *de facto* government control with respect to its exports of wooden cabinets and vanities.

We intend to conduct this NSR in accordance with section 751(a)(2)(B) of the Act.\textsuperscript{13} Because Hualing certified that it exported subject merchandise, the sale of which is the basis for its NSR request, Commerce will instruct CBP to continue to suspend liquidation of all entries of subject merchandise exported by Hualing. To assist in its analysis of the *bona fide* nature of Hualing’s sale(s), upon initiation of this NSR, Commerce will require Hualing to submit, on an ongoing basis, complete transaction information concerning any sales of subject merchandise to the United States that were made subsequent to the POR.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation notice is published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

James Maeder,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

\textsuperscript{13} The Act was amended by the Trade Facilitation and Trade Enforcement Act of 2015 which removed from section 751(a)(2)(B) of the Act the provision directing Commerce to instruct CBP to allow an importer the option of posting a bond or security in lieu of a cash deposit during the pendency of an NSR.
