DEPARTMENT OF LABOR

Mine Safety and Health Administration

[OMB Control No. 1219-0066]

Proposed Extension of Information Collection; Testing, Evaluation, and Approval of Mining Products

AGENCY: Mine Safety and Health Administration, Labor.

ACTION: Request for public comments.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed collections of information in accordance with the Paperwork Reduction Act of 1995. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Mine Safety and Health Administration (MSHA) is soliciting comments on the information collection for Testing, Evaluation, and Approval of Mining Products, 30 CFR Subchapter B - parts 6 through 36.
DATES: All comments must be received on or before [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

ADDRESSES: You may submit comment as follows. Please note that late, untimely filed comments will not be considered.

Electronic Submissions: Submit electronic comments in the following way:

- Federal eRulemaking Portal: https://www.regulations.gov. Follow the instructions for submitting comments for docket number MSHA-2020-0038. Comments submitted electronically, including attachments, to https://www.regulations.gov will be posted to the docket, with no changes. Because your comment will be made public, you are responsible for ensuring that your comment does not include any confidential information that you or a third party may not wish to be posted, such as your or anyone else’s Social Security number or confidential business information.

- If you want to submit a comment with confidential information that you do not wish to be made available to the public, submit the comment as a written/paper submission.

Written/Paper Submissions: Submit written/paper submissions in the following way:
SUPPLEMENTARY INFORMATION:

I. Background

Section 103(h) of the Federal Mine Safety and Health Act of 1977 (Mine Act), 30 U.S.C. 813(h), authorizes MSHA to collect information necessary to carry out its duty in protecting the safety and health of miners. Further, section 101(a) of the Mine Act, 30 U.S.C. 811, authorizes the Secretary of Labor to develop, promulgate, and revise as may be appropriate, improved mandatory health or safety standards for the protection of life and prevention of injuries in coal or other mines.

MSHA is responsible for the inspection, testing, approval and certification, and quality control of mining equipment and components, materials, instruments, and
explosives used in both underground and surface coal, metal, and nonmetal mines. Title 30 Code of Federal Regulations parts 6 through 36 contain procedures and specifications by which manufacturers may apply for and have equipment approved as “permissible” for use in mines.

II. Desired Focus of Comments

MSHA is soliciting comments concerning the proposed information collection related to Testing, Evaluation, and Approval of Mining Products, 30 CFR Subchapter B - Parts 6 through 36. MSHA is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;

- Evaluate the accuracy of MSHA’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
Background documents related to this information collection request are available at https://regulations.gov and in DOL-MSHA located at 201 12th Street South, Suite 4E401, Arlington, VA 22202-5452. Questions about the information collection requirements may be directed to the person listed in the FOR FURTHER INFORMATION section of this notice from the previous collection of information.

III. Current Actions

This information collection request concerns provisions for Testing, Evaluation, and Approval of Mining Products, 30 CFR Subchapter B - Parts 6 through 36. MSHA has updated the data with respect to the number of respondents, responses, burden hours, and burden costs supporting this information collection request from the previous information collection request.

Type of Review: Revision of a currently approved collection

Agency: Mine Safety and Health Administration

OMB Number: 1219-0066

Affected Public: Business or other for-profit

Number of Respondents: 130

Frequency: On occasion

Number of Responses: 315

Annual Burden Hours: 3,424 hours

Annual Respondent or Recordkeeper Cost: $2,938,557
MSHA Form: MSHA Form 2000-38, Electrically Operated Mining Equipment U.S. Department of Labor Field Approval Application (Coal Operator)

Comments submitted in response to this notice will be summarized in the request for Office of Management and Budget approval of the proposed information collection request; they will become a matter of public record and will be available at https://www.reginfo.gov.

Roslyn B. Fontaine,
Certifying Officer.
