Pursuant to 49 U.S.C. 11708, the Board’s regulations establish a voluntary and binding arbitration process to resolve rail rate and practice complaints that are subject to the Board’s jurisdiction. Section 11708(f) provides that, unless parties otherwise agree, an arbitrator or panel of arbitrators shall be selected from a roster maintained by the Board. Accordingly, the Board’s rules establish a process for creating and maintaining a roster of arbitrators. 49 CFR 1108.6(b).

The Board most recently updated its roster of arbitrators by decision served February 13, 2020. The roster is published on the Board’s website at https://www.stb.gov/ (click the “Resources” tab, select “Litigation Alternatives” from the dropdown menu, and then click on the “arbitration” link).

As provided under 49 CFR 1108.6(b), the Board updates the roster of arbitrators annually. Accordingly, the Board is now requesting the names and qualifications of new arbitrators who wish to be placed on the roster. Current arbitrators who wish to remain on the roster must notify the Board of their continued availability and confirm that the biographical information on file with the Board remains accurate and, if not, provide any necessary updates. Arbitrators who do not confirm their continued availability will be removed from the roster. This decision will be served on all current arbitrators.

Any person who wishes to be added to the roster should file an application describing his or her experience with rail transportation and economic regulation, as well as professional or business experience, including agriculture, in the private sector. Each applicant should also describe his or her training in dispute resolution and/or experience in arbitration or other forms of dispute resolution, including the number of years of
experience. Lastly, the applicant should provide his or her contact information and fees.

This year, all comments—including filings from new applicants, updates to existing arbitrator information, and confirmations of continued availability—should be submitted via e-filing on the Board’s website by January 15, 2021. The Board will assess each new applicant’s qualifications to determine which individuals can ably serve as arbitrators based on the criteria established under 49 CFR 1108.6(b). The Board will then establish an updated roster of arbitrators by no-objection vote. The roster will include a brief biographical sketch of each arbitrator, including information such as background, area(s) of expertise, arbitration experience, and geographical location, as well as contact information and fees. The roster will be published on the Board’s website.

It is ordered:

1. Applications from persons interested in being added to the Board’s roster of arbitrators, and confirmations of continued availability (with updates, if any, to existing arbitrator information) from persons currently on the arbitration roster, are due by January 15, 2021.

2. This decision will be served on all current arbitrators and published in the Federal Register.

3. This decision is effective on the date of service.

By the Board, Allison C. Davis, Director, Office of Proceedings.

Tammy Lowery,

Clearance Clerk.
