petitioners), requested a review of 37 producers and/or exporters of subject merchandise.³
Further, from August 29, 2019 through September 3, 2019, Norma,⁴ RNG, Jai Auto Pvt. Ltd.,
and Bebitz Flanges Works Private Limited, foreign producers or exporters of subject
merchandise, each requested a review of the Order with respect to themselves.⁵ On October 7,
2019, Commerce published a notice of initiation of an administrative review of the Order.⁶
Based on our examination of the Customs and Border Protection (CBP) data, on November 6,
2019, we selected Norma and RNG, the two largest producers and/or exporters, as mandatory
respondents.⁷

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days,
thereby extending the deadline for these preliminary results until June 22, 2020.⁸ Further, on
June 19, 2020, Commerce extended the time period for issuing these preliminary results by 109
days, in accordance with section 751(a)(3)(A) of the Act, to October 8, 2020.⁹ On July 21, 2020,
Commerce again tolled all deadlines in administrative reviews by 60 days, thereby extending the
deadline for these results until December 7, 2020.¹⁰ For a complete description of the events that
followed the initiation of this review, see the Preliminary Decision Memorandum.¹¹ A list of
topics discussed in the Preliminary Decision Memorandum is included at Appendix I to this

Scope of the Order

The merchandise covered by the \textit{Order} is steel flanges. For a complete description of the scope of the \textit{Order}, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, \textit{i.e.}, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.\footnote{See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.} For a full description of the methodology underlying our conclusions, see the accompanying Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

There are 31 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents. The statute and Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides the basis for calculating the all-others rate in an investigation.
Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, none of the rates for respondents were zero, *de minimis*, or based entirely on facts available. For the companies for which a review was requested that were not selected as mandatory company respondents, and for which Commerce did not receive a timely request for withdrawal of review, and for which Commerce is not finding to be cross-owned with the mandatory company respondents, Commerce based the subsidy rate on a weighted-average of the subsidy rates calculated for the two mandatory respondents, Norma and RNG, using their publicly-ranged sales data for exports of subject merchandise to the United States during the POR. For further discussion, please see the All-Others Rate Calculation Memorandum.\(^{13}\)

**Intent to Rescind Administrative Review, in Part**

On September 21, 2020, the petitioners stated that they had inadvertently included in their request for review Bebitz U.S.A., Inc., a United States importer.\(^{14}\) Additionally, information on the record demonstrates that Silbo Industries, Inc. is a U.S. importer.\(^{15}\) Because Commerce does not conduct reviews of U.S. importers, and because the CBP demonstrate that neither company exported subject merchandise to the United States during the POR,\(^{16}\) we intend to rescind this review with respect to Bebitz U.S.A., Inc. and Silbo Industries, Inc. For further details, see the Preliminary Decision Memorandum.

**Preliminary Results of Review**

In accordance with 19 CFR 351.221(b)(4)(i), we calculated individual subsidy rates for Norma and RNG. For the period January 1, 2018 through December 31, 2018, we preliminarily determine that the following net countervailable subsidy rates exist:

<table>
<thead>
<tr>
<th>Company</th>
<th>Subsidy Rate (percent ad valorem)</th>

<tbody>
<tr>
<td>Norma (India) Ltd.(^{17})</td>
<td>5.61</td>

**Assessment Rate**

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

\(^{17}\) In the investigation, Commerce found the following companies to be cross-owned with Norma (India) Ltd.: USK Export Private Limited (USK); Uma Shanker Khandelwal and Co. (UMA); and Bansidhar Chiranjilal (BCL). See Preliminary Decision Memorandum at 7; this finding is unchanged in these preliminary results. This rate applies to all cross-owned companies.
Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated CVDs in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated CVDs at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.
