General description of report: The Community Reinvestment Act (CRA) directs the Board, the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency (collectively, the agencies) to evaluate financial institutions’ (banks and savings associations) records of helping to meet the credit needs of their entire communities, including low- and moderate-income areas, consistent with the safe and sound operation of the institutions. The CRA is implemented through regulations issued by the agencies. The Board’s regulation applies to SMBs.

Legal authorization and confidentiality: The FR BB is authorized by section 806 of the CRA, which permits the Board to issue “[r]egulations to carry out the purposes of [the CRA]”; section
11 of the Federal Reserve Act, which permits the Board to “require such statements and reports as it deems necessary” of state member banks; and section 9 of the Federal Reserve Act, which permits the Board to examine state member banks.

Most of the recordkeeping, reporting, and disclosure requirements of Regulation BB are mandatory. However, there are several limited parts of the collection that are required to obtain a benefit: specifically, the request for designation as a wholesale or limited purpose bank, the strategic plan, and the recordkeeping and reporting requirements associated with data regarding consumer loans and lending performance, affiliate lending data, and data on lending by a consortium or a third party.

Most of the information collected under Regulation BB is not considered confidential. However, if a respondent elects to submit a strategic plan pursuant to 12 CFR 228.27, the respondent may submit additional information to the Board relating to the strategic plan on a confidential basis, so long as the goals in the plan are sufficiently specific to enable the public and the Board to judge the merits of the plan. The Board will determine whether the additional information is entitled to confidential treatment on a case-by-case basis.

To the extent a respondent submits information contained in or related to examination, operating, or condition reports prepared by, or on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions, the respondent may request confidential treatment pursuant to exemption 8 of the Freedom of Information Act (FOIA). To the extent a respondent submits nonpublic commercial or financial information which is both customarily and actually treated as private by the respondent, the respondent may request confidential treatment pursuant to exemption 4 of the FOIA.
