Abstract: This collection is authorized by Section 101(b) of the National Historic Preservation Act, as amended (54 U.S.C. 302301), which specifies the role of States, Tribes, and Local governments in the Historic Preservation Program (HPP). This information collection has an impact on State, Tribal, and local governments that wish to participate formally with the National Park Service in the HPP. Information is also requested to meet grant management and monitoring of responsibilities for States, Tribes, local government, and other eligible grant recipients under 54 U.S.C. 300101 et seq. and 2 CFR 200.

Each year Congress directs the NPS to use part of the annual appropriation from the Historic Preservation Fund (HPF) for the State grant program and the Tribal grant programs to assist States and Tribes in carrying out their statutory role in the HPP. Through competitive grant programs, Congress also directs NPS to provide financial assistance to a variety of eligible grant recipients to support the broad cultural resource mandates of the National Historic Preservation Act and for other purposes.

The information from this collection is required to evaluate if State, Tribal, and local governments meet minimum standards and requirements for

participation in the HPP; and to meet program specific requirements as well as government- wide requirements for Federal grant programs.

The NPS uses the information collected to ensure compliance with the National Historic Preservation Act, as well as government-wide grant requirements issued and implemented through 43 CFR part 12 and 2 CFR 200.
