## **II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a proposed collection of information to OMB for review entitled, NRC Form 149, "OCFO Invitational Traveler Request Form." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on September 3, 2020, 85 FR 55033.

1. *The title of the information collection:* NRC Form 149, "OCFO Invitational Traveler Request Form."

2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.

3. *Type of submission:* New.

4. *The form number if applicable:* NRC Form 149.

5. *How often the collection is required or requested:* The collection is required when there is an invitational traveler that will be reimbursed by the NRC. This occurs on an as needed basis and does not have a regular schedule for submission.

6. *Who will be required or asked to respond:* The invitational traveler will be asked to respond and NRC staff that are associated with the purpose of the invitational traveler may also be asked to respond on an as needed basis.

7. *The estimated number of annual responses:* 250.

8. *The estimated number of annual respondents:* 250.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 50 hours.

10. *Abstract:* The NRC provides reimbursement for people on invitational travel for the NRC. As such, the NRC would reimburse them through our Financial Accounting and Integrated Management Information System (FAIMIS). Additionally, the travel itself would be processed in our electronic travel systems (ETS2). Both the financial and travel systems must be set up appropriately for the invitational traveler to travel and receive reimbursement from the NRC. The information collected on Form 149 meets the requirements for the invitational traveler to have a profile created in FAIMIS and in ETS2. The information collected is necessary to meet the criteria for both systems.

Dated: December 28, 2020.
